

256.56 Electronic access to documents.

The state library shall work to develop a system of electronic access to documents maintained by the state library with a goal of providing electronic access to all such documents. The access shall be provided using a current, widely accepted and utilized technology. [This section](#) shall not prohibit the state librarian from considering other forms of electronic access if the use of such other access is shown to exceed the benefits of, and is more cost-effective than, the currently used technology.
