

390.4 Undivided joint interest.

In substance, a joint agreement shall:

1. Provide that each participant shall own an undivided interest in the joint facility, the interest being equal to the percentage of the money furnished, value of property furnished, or services rendered by each participant toward the total cost of the joint facility, and that each participant shall own and control a like percentage of the output of the joint facility.

2. Provide that each participant shall undertake to finance its portion of the cost of planning, acquisition, operation, and maintenance of the joint facility.

3. Provide that each participant in the ownership of the joint facility shall bear all taxes, if any, chargeable to its ownership of the joint facility under statutes now or hereafter in effect.

4. Provide for the planning, financing, acquisition, operation and maintenance of the joint facility, or for any one or more of said purposes, including the cost to be contributed by each participant.

5. Provide for a uniform method of determining and allocating operation and maintenance expenses of the joint facility.

6. Provide that a participant may be liable only for its own acts with regard to the joint facility, or as principal for the acts of the manager in proportion to its percentage of ownership, and shall not be jointly or severally liable for the acts, omissions, or obligations of other participants.

7. Provide that the undivided interest of a participant in the joint facility may not be charged directly or indirectly with a debt or obligation of another participant or be subject to any lien as a result thereof.

8. Provide for the management and operation of the affairs of the joint facility, and the indemnification of the manager, which may include a provision that the joint facility shall be managed and operated by one or more of the participants.

9. Provide that no participant may withdraw from the joint agreement during its duration so long as obligations payable in whole or in part from revenues derived from the operation of the joint facility, and issued by a city, are outstanding, unless prior consent is first granted by each of the other participants either in the joint agreement or otherwise.

10. Provide for the method to be employed in accomplishing the partial or complete termination of the agreement and for disposing of property and assets upon partial or complete termination. The provisions of the joint agreement for disposition of the joint facilities shall not be subject to the statutes limiting or prescribing procedure for the sale of city-owned properties.

11. Provide for the duration of the agreement. An agreement authorized by [this chapter](#) shall not be limited as to period of existence, except as may be limited by the terms of the agreement itself.

12. Include other provisions as the parties may deem necessary or appropriate with respect to the conduct of the participants, the operation or ownership of the joint facility, or the settlement of disputes.
