1. A chiropractic graduate student forgivable loan program is established, to be administered by the college student aid commission for resident graduate students who are enrolled at Iowa chiropractic colleges and universities. - c. The student agrees to practice in an underserved area in the state of Iowa for a period of time to be determined by the commission at the time the loan is awarded.

Forgivable loans made to eligible students shall not become due, for repayment purposes, until one year after the student has graduated. A loan that has not been forgiven may be sold to a bank, savings association, credit union, or nonprofit agency eligible to participate in the guaranteed student loan program under the federal Higher Education Act of 1965, 20 U.S.C. §1071 et seq., by the commission when the loan becomes due for repayment.
