

261A.6 Membership of authority.

1. The authority consists of five members to be appointed by the governor subject to confirmation by the senate. The powers of the authority are vested in and exercised by the members of the authority. Each member of the authority shall be a resident of the state and not more than three members shall be members of the same political party.

2. The members of the authority shall be appointed by the governor for terms of six years beginning and ending as provided in [section 69.19](#). A member of the authority is eligible for reappointment. The governor shall fill a vacancy for the remainder of the unexpired term. A member of the authority may be removed by the governor for misfeasance, malfeasance, or willful neglect of duty or other cause after notice and a public hearing unless the notice and hearing are waived by the member in writing.

3. The members of the authority shall annually elect one of the members as chairperson and one as vice chairperson. The members of the authority may appoint an executive director, an assistant executive director, and other officers as the members of the authority determine. The officers shall not be members of the authority, shall serve at the pleasure of the authority, and shall receive compensation as fixed by the authority.

4. The executive director or assistant executive director or other person designated by resolution of the authority shall keep a record of the proceedings of the authority and shall be custodian of all books, documents, and papers filed with the authority, the minute book or journal of the authority, and its official seal. The executive director, assistant executive director, or other person may cause copies to be made of minutes and other records and documents of the authority and may give certificates under the official seal of the authority that the copies are true copies, and persons dealing with the authority may rely upon the certificates.

5. Three members of the authority constitute a quorum. The affirmative vote of a majority of the members of the authority is necessary for any action taken by the authority. The majority shall not include a member who has a conflict of interest and a statement by a member of a conflict of interest is conclusive for this purpose. A vacancy in the membership of the authority does not impair the right of a quorum to exercise the rights and perform the duties of the authority. An action taken by the authority under [this chapter](#) may be authorized by resolution at a regular or special meeting, and each resolution shall take effect immediately and need not be published or posted, except as provided in [section 261A.25](#). Meetings of the authority shall be held at the call of the chairperson or at the request of two members.

6. The members of the authority shall not receive compensation for the performance of their duties as members but each member shall be paid necessary expenses while engaged in the performance of duties of the authority.

7. The members of the authority shall give bond as required for public officers in [chapter 64](#).

8. The members of the authority are subject to and are officials within the meaning of [chapter 68B](#).

9. Notwithstanding [chapter 68B](#) or any other laws to the contrary, it is not a conflict of interest or violation of a law for a trustee, director, officer, or employee of a participating institution or for a person having a favorable reputation for skill, knowledge, and experience in state and municipal finance or for a person having a favorable reputation for skill, knowledge, and experience in the higher education loan finance field to serve as a member of the authority. However, in each case to which [this chapter](#) is applicable, the trustee, director, officer, or employee of the participating institution shall abstain from discussion, deliberation, action, and vote by the authority in respect to an undertaking pursuant to [this chapter](#) in which the participating institution of higher education has an interest; and the person having a favorable reputation for skill, knowledge, and experience in state and municipal finance shall abstain from discussion, deliberation, action, and vote by the authority in respect to a sale, purchase, or ownership of obligations of the authority in which an investment banking firm or insurance company or bank of which the person is a partner, officer, or employee has or may have a current or future interest; and the person having a favorable reputation for skill, knowledge, and experience in the higher education loan

finance field shall abstain from discussion, deliberation, action, and vote by the authority in respect to an action of the authority in which a partnership, firm, joint venture, sole proprietorship, or corporation of which the person is an owner, venturer, participant, partner, officer, or employee has or may have a current or future interest.

10. All employees of the authority are exempt from [chapter 8A](#), [subchapter IV](#), and [chapter 97B](#).
