

357.1B Combined water and sanitary district.

1. Upon receipt of a petition having the required signatories as provided in [section 357.1A](#) or [358.2](#), the board of supervisors shall grant a hearing relative to the establishment of a proposed combined water and sanitary district. The petition shall include the information required in [sections 357.1A](#) and [358.2](#) for proposed water districts and sanitary districts. The board of supervisors of the county in which the proposed combined district or largest part of the proposed combined district is located, shall have jurisdiction of the proceedings on the petition and the decision of a majority of the members of that board of supervisors is necessary for adoption. The orders of the board of supervisors made pursuant to [this chapter](#) and [chapter 358](#) relating to the proposed combined district shall be kept as official records, but the records need not be published under [section 349.16](#). An existing district may petition the board of supervisors to establish a combined water and sanitary district after the approval of a majority of the district electorate.

2. The board of supervisors having jurisdiction to establish the proposed combined water and sanitary district may proceed with its establishment under [this chapter](#) or [chapter 358](#) in the same manner as a benefited water district or a sanitary district is separately established under those chapters. The differences between [this chapter](#) and [chapter 358](#) including but not limited to the membership of the board of trustees, per diem, and maximum annual per diem, or a power or duty relating to rents, fees, taxation, or bonded indebtedness, shall be resolved as a part of the petition submitted to the board of supervisors. Before becoming effective, a change in the membership, per diem, maximum annual per diem, or a power or duty relating to rents, fees, the levy of a tax, or the issuance of bonds, or other differences specified on the petition, shall be submitted for the approval of the district electorate. However, the number of members, per diem, maximum annual per diem, or differences in powers and duties included in a combined district shall not be inconsistent with [this chapter](#) or [chapter 358](#).

3. For the purpose of establishing, operating, or dissolving a combined water and sanitary district under [this chapter](#) and [chapter 358](#), the term “*benefited water district*” includes a combined water and sanitary district where applicable.

4. Water services and a water service plan prepared by the combined district are subject to approval by an affected city as provided in [section 357.1A](#).
