

456.7 Annual report.

On or before January 10 of each year, the state geologist shall submit to the governor and the general assembly a full report of the work of the Iowa geological survey performed during the preceding year. The report shall include a summary of its current long-range budget plan as provided in [section 456.5A](#). The report may be accompanied by such other reports and documents as the state geologist determines is necessary or desirable for publication.
