**493—1.1(13B) Scope.** This chapter sets forth the organizational structure of the state public defender system and describes its purpose. See 493—Chapter 7 for definitions of terms used in this chapter.

**493—1.2(13B) Function.** The position of state public defender is established by Iowa Code chapter 13B. The state public defender is charged with the supervision of the operation of the state public defender system and with the coordination of the provision of legal defense representation of indigent persons in the state of Iowa.

**493—1.3(13B) Overall organization and method of operations.**

**1.3(1) State public defender system.** The state public defender system is administered by the state public defender. The system consists of three divisions: an administrative division, a local public defender division, and an appellate division.

**1.3(2) Types of cases.** Based on statutes and appropriate case law, the state public defender system provides representation for persons found to be indigent in the following types of cases:

- a. Felonies;
- b. Misdemeanors, if an accused faces the possibility of imprisonment under the applicable criminal statute or ordinance;
- c. Juvenile matters, including delinquency, termination of parental rights, child in need of assistance (CINA), judicial bypass proceedings, and juvenile commitments;
- d. Probation and parole revocation cases;
- e. Civil commitment proceedings under Iowa Code chapter 229A; and
- f. Other matters authorized by law.

**1.3(3) State public defender.** The state public defender is appointed by the governor, subject to confirmation by the senate. The state public defender is the chief administrative officer of the state public defender system and in that capacity coordinates the legal representation of indigent clients in criminal, juvenile and related cases in Iowa. The duties of the state public defender include, but are not limited to:

- a. Supervising the operations of the local public defender offices;
- b. Acting as chief legal officer of the state public defender system;
- c. Preparing and submitting the annual budget, personnel and employment policies, and preparing an annual report of the activities of the office;
- d. Determining locations for establishing future local public defender offices;
- e. Coordinating the provision of legal representation of all indigents under arrest or charged with a crime, on appeal in criminal cases, in a proceeding to obtain postconviction relief when ordered to do so by the court, against whom a contempt action is pending, in proceedings under Iowa Code chapter 229A, in juvenile cases under Iowa Code chapters 232 and 600A, or in probation or parole violations under Iowa Code chapter 908;
- f. Filing with the clerk of court in each county served by a public defender a designation of which local public defender office shall receive notice of appointment of cases;
- g. Contracting with licensed attorneys in the state to provide legal services to indigent persons where there is no local public defender available to provide such services; and
- h. Reviewing claims for indigent defense services and costs and participating in hearings regarding claims.

**1.3(4) Administrative division.** The administrative division carries out all the duties of the state public defender including, but not limited to: budget preparation, processing claims for payment of public defender-related costs and expenses, coordinating hiring and disciplinary matters, maintaining statistics regarding case management and handling of cases, and all other administrative matters.

**1.3(5) Local public defender division.** The local public defender division provides legal representation at the trial level to qualified persons charged with adult crimes or in juvenile matters in

counties where local public defender services are provided. The division also provides representation to qualified persons in juvenile appeals and in civil commitment proceedings under Iowa Code chapter 229A at the trial and appellate levels.

The local public defender division consists of independent local offices and branch offices. Each independent local office is under the direct supervision of a local public defender. A local public defender may supervise a branch office. If so, the branch office may be considered part of the local office.

**1.3(6) Appellate division.** The appellate division is administered by the state appellate defender who reports directly to the state public defender. The appellate division provides legal representation to indigent clients in posttrial matters in the appellate courts of the state of Iowa.

Persons wishing copies of pleadings and other documents filed in litigation should obtain them from the clerk of the appropriate court which maintains the official copy.

**4.14(3) Contracts.** Contractual agreements are maintained by the state public defender. These records contain personally identifiable information when the agreement is with a specific individual. In those instances, the records include the name, address, and social security number of the contracting attorney. Other information in these records may include the proposal of the contracting attorney, budget figures, correspondence, and business information. Personally identifiable information is contained in a data processing system and may be compared with information in any data processing system.

CHAPTER 6  
UNIFORM WAIVER AND VARIANCE RULES

**493—6.1(13B,17A) Applicability.** This chapter outlines a uniform process for the granting of waivers or variances from rules adopted by the state public defender. The intent of this chapter is to allow persons to seek exceptions to the application of rules issued by the state public defender.

**493—6.2(13B,17A) Interpretive rules.** This chapter shall not apply to rules that merely define the meaning of a statute or other provision of law or precedent if the state public defender does not possess delegated authority to bind the courts to any extent with its definition.

**493—6.3(13B,17A) Compliance with statute.** The state public defender shall not grant a petition for waiver or variance from a rule unless a statute or other provision of law has delegated authority to the state public defender sufficient to justify that action and the waiver or variance is consistent with the statute or other provision of law. No waiver or variance may be granted from a requirement that is imposed by statute, unless the statute itself specifically authorizes that action. Any waiver or variance must be consistent with statute.

**493—6.4(13B,17A) Criteria for waiver or variance.** At the sole discretion of the state public defender, the state public defender may issue an order, in response to a completed petition or on the state public defender's own motion, granting a waiver or variance from a rule adopted by the state public defender, in whole or in part, as applied to the circumstances of a specified person or a specific and narrowly drawn class of persons if the state public defender finds based on clear and convincing evidence that:

1. The application of the rule to the petitioner would pose an undue hardship on the person or class of persons for whom the waiver or variance is requested;
2. The waiver or variance from the requirements of a rule in the specific case would not prejudice the substantial legal rights of any person;
3. The provisions of a rule subject to a petition for a waiver or variance are not specifically mandated by statute or another provision of law; and
4. Substantially equal protection of public health, safety, and welfare will be afforded by a means other than that prescribed in the particular rule for which the waiver or variance is requested.

**493—6.5(13B,17A) Filing of petition.** A petition for a waiver or variance must be submitted in writing to the State Public Defender, Lucas State Office Building, 321 East 12th Street, Des Moines, Iowa 50319-0087. If the petition relates to a pending contested case, the petition shall also be filed in the contested case proceeding.

**493—6.6(13B,17A) Content of petition.** A petition for waiver or variance shall include the following information where applicable and known to the requester:

1. The name, address, and telephone number of the entity or person for whom a waiver or variance is being requested and the case number of any related contested case.
2. A description and citation of the specific rule from which a waiver or variance is requested.
3. The specific waiver or variance requested, including the precise scope and operative period that the waiver or variance will extend.
4. The relevant facts that the petitioner believes would justify a waiver or variance. This statement shall include a signed statement from the petitioner attesting to the accuracy of the facts provided in the petition and a statement of reasons that the petitioner believes will justify a waiver or variance.
5. A history of any prior contacts between the state public defender and the petitioner relating to the regulated activity, representation or other assigned function of the state public defender that would be affected by the proposed waiver or variance, including a description of each regulated activity, representation or other assigned function of the state public defender, any notices of violation, contested case hearings, or investigative reports relating to the regulated activity, representation or other assigned function of the state public defender within the last five years.

6. Any information known to the requester regarding the state public defender's treatment of similar cases.

7. The name, address, and telephone number of any public agency or political subdivision which also regulates the activity in question or which might be affected by the granting of a waiver or variance.

8. The name, address, and telephone number of any person or entity that would be adversely affected by the granting of a petition.

9. The name, address, and telephone number of any person with knowledge of the relevant facts relating to the proposed waiver or variance.

10. Signed releases of information authorizing persons with knowledge regarding the request to furnish the state public defender with information relevant to the waiver or variance.

**493—6.7(13B,17A) Additional information.** Prior to issuing an order granting or denying a waiver or variance, the state public defender may request additional information from the petitioner relative to the petition and surrounding circumstances. If the petition was not filed in a contested case, the state public defender may, on its own motion or at the petitioner's request, schedule a telephonic or in-person meeting between the petitioner and the state public defender or state public defender's designee.

**493—6.8(13B,17A) Notice.** The state public defender shall acknowledge a petition upon receipt. The state public defender shall ensure that, within 30 days of the receipt of the petition, notice of the pendency of the petition and a concise summary of its contents have been provided to all persons to whom notice is required by any provision of law. In addition, the state public defender may give notice to other persons. To accomplish this notice provision, the state public defender may require the petitioner to serve the notice on all persons to whom notice is required by any provision of law and provide a written statement to the state public defender attesting that notice has been provided.

**493—6.9(13B,17A) Hearing procedures.** The provisions of Iowa Code sections 17A.10 to 17A.18A regarding contested case hearings shall apply to any petition for a waiver or variance of a rule filed within a contested case and shall otherwise apply to agency proceedings for a waiver or variance only when the state public defender so provides by rule or order or is required to do so by statute.

**493—6.10(13B,17A) Ruling.** An order granting or denying a waiver or variance shall be in writing and shall contain a reference to the particular person and rule or portion thereof to which the order pertains, a statement of the relevant facts and reasons upon which the action is based, and a description of the precise scope and operative period of the waiver if one is issued.

**6.10(1) State public defender discretion.** The decision on whether the circumstances justify the granting of a waiver or variance shall be made at the discretion of the state public defender upon consideration of all relevant factors.

**6.10(2) Burden of persuasion.** The petitioner has the burden of persuasion when a petition is filed for a waiver or variance from a state public defender rule. The standard of proof is clear and convincing evidence.

**6.10(3) Special waiver or variance rules not precluded.** This chapter shall not preclude the state public defender from granting waivers or variances in other contexts or on the basis of other standards if a statute authorizes the state public defender to do so and the state public defender deems it appropriate to do so.

**6.10(4) Administrative deadlines.** When the rule from which a waiver or variance is sought establishes administrative deadlines, the state public defender shall balance the special individual circumstances of the petitioner with the overall goal of uniform treatment of all persons similarly situated.

**6.10(5) Conditions.** The state public defender may condition the granting of the waiver or variance on such reasonable conditions as appropriate to achieve the objectives of the particular rule in question through alternative means and in compliance with the following provisions:

- a. Each petition for a waiver or variance shall be evaluated by the state public defender based on the unique, individual circumstances set out in the petition;
- b. A waiver or variance, if granted, shall be drafted by the state public defender so as to provide the narrowest exception possible to the provisions of the rule;
- c. The state public defender may place on a waiver or variance a condition that the state public defender finds desirable to protect the public health, safety, and welfare;
- d. A waiver or variance shall not be permanent, unless the petitioner can show that a temporary waiver or variance would be impracticable; and
- e. If a temporary waiver or variance is granted, there is no automatic right to renewal. At the sole discretion of the state public defender, a waiver or variance may be renewed if the state public defender finds that all of the factors set out in rule 6.4(13B,17A) remain valid.

**6.10(6) *Time for ruling.*** The state public defender shall grant or deny a petition for a waiver or variance as soon as practicable but, in any event, shall do so within 120 days of its receipt, unless the petitioner agrees to a later date. However, if a petition is filed in a contested case, the state public defender has the discretion to wait until the contested case is resolved before entering an order on the petition for waiver or variance.

**6.10(7) *When deemed denied.*** Failure of the state public defender to grant or deny a petition within the required time period shall be deemed a denial of that petition by the state public defender.

**6.10(8) *Service of order.*** Within seven days of its issuance, any order issued under this chapter shall be transmitted to the petitioner or the person to whom the order pertains and to any other person entitled to such notice by any provision of law.

**493—6.11(13B,17A) Public availability.** Subject to the provisions of Iowa Code section 17A.3(1)“e,” the state public defender shall maintain a record of all orders granting or denying waivers and variances under this chapter. All final rulings in response to requests for waivers or variances shall be indexed and available to members of the public at the state public defender’s office.

Twice each year the state public defender must prepare a report that:

1. Identifies the rules for which a waiver or variance has been granted or denied;
2. Identifies the number of times a waiver or variance was granted or denied for each rule;
3. Includes a citation to the statutory provisions implemented by these rules; and
4. Includes a general summary of the reasons justifying the state public defender’s actions.

**493—6.12(13B,17A) Voiding or cancellation.** A waiver or variance is void if the material facts upon which the request is based are not true or if material facts have been withheld. The state public defender may at any time cancel a waiver or variance upon appropriate notice and hearing if the state public defender finds that the facts as stated in the request are not true, material facts have been withheld, the alternative means of compliance provided in the waiver or variance have failed to achieve the objectives of the statute, or the requester has failed to comply with the conditions of the order.

**493—6.13(13B,17A) Violations.** Violation of conditions in the waiver or variance approval is the equivalent of violation of the particular rule for which the waiver or variance is granted and is subject to the same remedies or penalties.

**493—6.14(13B,17A) Defense.** After the state public defender issues an order granting a waiver or variance, the order is a defense within its terms and the specific facts indicated therein for the person to whom the order pertains in any proceeding in which the rule in question is sought to be invoked.

**493—6.15(13B,17A) Appeals.** Any request for an appeal from a decision granting or denying a waiver or variance shall be in accordance with the procedures provided in Iowa Code chapter 17A and state public defender rules. An appeal shall be taken within 30 days of the issuance of the ruling in response to the request unless a contrary time is provided by rule or statute.

**493—6.16(13B,17A) Sample petition for waiver or variance.**

CHAPTER 10  
ELIGIBILITY GUIDELINES FOR COURT-APPOINTED COUNSEL

[Prior to 2/20/02, see 493—Chapter 13]

**493—10.1(815) Eligibility.** The eligibility of any person for legal assistance by an appointed attorney shall be determined in accordance with Iowa Code section 815.9 and with the guidelines set forth in these rules. Any person who is eligible for appointed counsel shall be required by the court to repay all or a part of the cost of the applicant's legal assistance.

**493—10.2(815) Income guidelines.** Annually, the state public defender shall provide information to the court showing the most recently revised poverty income guidelines.

**493—10.3(815) Designation of eligibility reviewer.** The chief judge of each judicial district may designate the person(s) or entity to evaluate the eligibility of a person for legal assistance by an appointed attorney. However, the decision to appoint counsel remains with the court.

**493—10.4(815) Application.** Any person claiming to be entitled to legal representation by an appointed attorney shall have an indigency evaluation before being provided legal representation. The applicant should provide information on an affidavit of financial status. This form will be prescribed by the state public defender, but any form containing substantially the same information will be accepted.

**10.4(1) Affidavit.** The applicant shall provide information required by the affidavit of financial status under penalty of perjury.

**10.4(2) Family.** The applicant shall provide information that accurately represents the number of family members who are supported by or live with the applicant.

**10.4(3) Income.** The applicant shall provide information that accurately represents the total gross income received or reasonably anticipated to be received by the applicant.

**10.4(4) Household income.** The applicant shall provide information that accurately represents the gross income of the household in which the applicant lives. The income of a spouse need not be included if the spouse is the alleged victim of the offense charged. The income of a child member of the household need not be included unless the legal representation is sought for the child in a delinquency proceeding.

**10.4(5) Assets.** The applicant shall provide information that accurately represents the total assets owned, in whole or in part, by the applicant. This includes the requirement to disclose interest in real property and tangible and intangible personal property.

**10.4(6) Liabilities.** The applicant shall provide information that accurately represents the total monthly debts and expenses for which the applicant is responsible. Child support and alimony payments should be included only when payments have been made in a timely manner.

**10.4(7) Nature of proceedings.** In a criminal case, the affidavit of financial status shall contain a statement of the charge(s) against the defendant. In a juvenile or civil case, a statement of the nature of the proceedings shall be included.

**10.4(8) Child applicant.** If the applicant is a child, the child's parent, guardian or custodian shall complete the affidavit of financial status. The affidavit of financial status shall include a statement of the income, assets and liabilities of the person or persons having a legal obligation to support the child.

**10.4(9) Additional information.** The applicant shall provide such additional information as may be required by the court to determine the applicant's eligibility for appointed counsel. The applicant has a continuing duty to update information provided in the affidavit of financial status to reflect changes in the information previously provided.

**493—10.5(815) Evaluation of affidavit of financial status.** In determining whether counsel should be appointed to represent the applicant, the court should consider the following:

**10.5(1) Family size.** The total size of the applicant's household shall be used to determine eligibility for appointed counsel.

**10.5(2) Household income.** The applicant's income, or the combined income of the applicant and the applicant's spouse if they are living in the same residence, shall be used in determining an applicant's household income, subject to the following:

*a.* The income of the applicant's spouse shall not be considered if the spouse is the alleged victim of the offense charged.

*b.* The income of a child shall not be considered unless the child is requesting representation in a delinquency case or unless the child is under a conservatorship or is the beneficiary of trust proceeds.

*c.* In a juvenile proceeding, the income of both parents shall be considered in determining whether the child is entitled to appointed counsel. If a child's parents are divorced, the household income of each parent shall be considered separately.

**10.5(3) DHHS poverty income guidelines.** The applicant's family size and household income shall be compared to the DHHS poverty income guidelines to determine whether the applicant's household income is 125 percent or less of the poverty level; between 125 percent and 200 percent of the poverty level; or 200 percent or greater of the poverty level.

**10.5(4) Income 125 percent or less of the poverty level.** If the applicant's household income is 125 percent or less of the poverty level, the applicant is entitled to appointed counsel unless the court determines that the applicant is able to pay for the cost of an attorney to represent the applicant on the pending charge. In determining whether the applicant is able to pay for the cost of an attorney, the court should consider not only the applicant's income, but also the availability of any assets subject to execution and the seriousness of the charge.

**10.5(5) Income between 125 percent and 200 percent of the poverty level.** If the applicant's household income is greater than 125 percent, but less than 200 percent of the poverty level, the applicant is not entitled to appointed counsel unless the court determines and makes a written finding that not appointing counsel on the pending charge would cause the applicant substantial financial hardship. In determining whether substantial financial hardship would result, the court should consider not only the applicant's income, but also the availability of any assets subject to execution and the seriousness of the charge.

**10.5(6) Income 200 percent or greater of the poverty level.** If the applicant's household income is 200 percent or greater of the poverty level, the applicant is not entitled to appointed counsel unless the applicant is charged with a felony and the court determines and makes a written finding that not appointing counsel on the pending charge would cause the applicant substantial financial hardship. In determining whether substantial financial hardship would result, the court should consider not only the applicant's income, but also the availability of any assets subject to execution and the seriousness of the charge.

**10.5(7) Applicability to juvenile cases.** In evaluating whether to appoint counsel for a parent in a juvenile proceeding, the court shall consider not only the applicant's income, but also the availability of any assets subject to execution and the nature of the proceeding in determining whether the parent is financially unable to employ counsel.

#### **493—10.6(815) Payment procedures.**

**10.6(1) Payment to clerk.** An applicant who has been determined eligible for appointed counsel shall pay to the office of the clerk of the district court any sums ordered by the court. This order for payment may be entered during or following the pendency of the action.

**10.6(2) Wage assignments.** If the applicant is employed, the applicant shall execute an assignment of the applicant's wages. A portion of the applicant's wages, as determined by the court, shall be paid to the office of the clerk of the district court for recovery of attorney fees. This assignment of wages may be entered during or following the pendency of the action.

**493—10.7(815) Forms.** The state public defender shall promulgate forms to be used in court proceedings, including an Adult Affidavit of Financial Status, Juvenile Affidavit of Financial Status, Wage Assignment, and such other forms as the state public defender deems appropriate. Such forms

shall be available at the administrative office of the state public defender and published on the state public defender's Web site at <http://spd.iowa.gov>.

CHAPTER 11  
ATTORNEY FEE CONTRACTS

**493—11.1(13B) Scope.** This chapter sets forth the rules for private attorneys entering into contracts for indigent defense legal services with the state public defender. See 493—Chapter 7 for definitions of terms used in this chapter.

**493—11.2(13B) Contracts.** An attorney may enter into a contract with the state public defender for the provision of legal services to indigent persons.

**11.2(1) Eligibility.** To be eligible to contract with the state public defender, an attorney must be licensed to practice law in the state of Iowa and must meet the minimum qualification requirements for contracting as set forth in rule 493—11.3(13B) for the types of cases for which the attorney is contracting.

**11.2(2) Contract copy.** A copy of an original contract is available from the Office of the State Public Defender, Lucas State Office Building, Des Moines, Iowa 50319-0087, by telephoning (515)242-6158, or on the Web at <http://spd.iowa.gov>.

**11.2(3) Notice of contract opportunities.** The state public defender will give notice to attorneys of the availability of contracts for indigent defense legal services in a manner reasonably calculated to make attorneys aware of the availability of the contracts.

**11.2(4) Contract types.** Unless the attorney and state public defender agree in writing to a contract covering a different type of case, the contract shall cover one or more of the following categories of case types:

- a. Juvenile cases, including juvenile petitions on appeal;
- b. Appellate cases, including direct appeals of criminal cases, appeals from postconviction relief proceedings, and any other case for which counsel is statutorily authorized to be paid from the indigent defense fund at the trial level;
- c. Postconviction relief cases at the trial level;
- d. Class A and B felony cases at the trial level;
- e. Class C and D felony cases at the trial level, and Class A felony cases in which another attorney who meets the minimum requirements for such cases is also appointed as the lead counsel;
- f. Misdemeanor cases, probation and parole revocation cases, contempt proceedings, and any other adult criminal or civil cases for which counsel is statutorily authorized to be paid from the indigent defense fund at the trial level.

**11.2(5) Written approval required.** A contract can only be in force and effect when a contract acceptance form is signed by the contracting attorney and approved by the state public defender. The approved contract is only effective for those types of cases and those counties requested by the attorney and approved by the state public defender in writing on the acceptance and approval form, renewal form, or a subsequent written amendment. Nevertheless, a contract covering appellate cases is effective for all 99 counties.

**11.2(6) Independent contractor.** The contracting attorney shall be an independent contractor and shall not be an agent or employee of the state of Iowa. The attorney shall exercise the attorney's best independent professional judgment on behalf of clients to whom the attorney is assigned.

**11.2(7) Notification to clerks.** On a monthly basis, the state public defender shall notify the clerks of court in each county of those attorneys who have an approved contract for each type of case in each respective county.

**11.2(8) Contract terms.** A contract between the state public defender and an attorney shall cover, but is not limited to, the following subjects:

- a. The types of cases in which the attorney is to provide services;
- b. The counties in which the attorney is to provide services;
- c. The term of the contract and the responsibility of the attorney for provision of services in cases undertaken pursuant to the contract;
- d. Identification of the attorney who will perform legal representation under the contract;

- e.* A prohibition against assignment of the obligations undertaken pursuant to the contract and a description of the manner in which temporary substitute counsel may be utilized;
- f.* The qualifications of the contracting attorney to undertake legal representation pursuant to the contract;
- g.* A description of the compensation to be paid and the manner of payment;
- h.* A description of any expenses which may be provided under the contract;
- i.* A description of the record-keeping and reporting requirements under the contract;
- j.* A description of the manner in which the contract may be terminated;
- k.* A description of the manner of disposition of ongoing obligations following termination of the contract.

**11.2(9) Compensation.** Unless the contract provides for a different rate or manner of payment, the attorney shall be compensated as set forth in rule 493—12.4(13B,815).

**11.2(10) Contract form.** Unless the attorney and state public defender agree in writing to vary the terms of the contract between them, the terms contained in the Indigent Defense Legal Services Contract No. 493-14 shall constitute the agreement between the parties for the provision of legal services.

**11.2(11) No guarantee of appointments.** An attorney under contract with the state public defender is not guaranteed any minimum number of court appointments. The process by which attorneys under contract with the state public defender are appointed to specific cases is governed by Iowa Code chapters 814 and 815. The state public defender shall retain sole authority to determine the length of each contract or contract renewal.

[ARC 9293B, IAB 12/29/10, effective 12/7/10; ARC 9447B, IAB 4/6/11, effective 5/11/11; ARC 1514C, IAB 6/25/14, effective 7/30/14]

**493—11.3(13B) Attorney minimum qualifications.** To be eligible to contract with the state public defender for a type of case after January 1, 2015, the attorney must meet the minimum qualification requirements established by this rule for the particular type of case. Prior to contracting with the state public defender, an attorney shall certify the attorney's compliance with these requirements and, prior to renewal of the contract, shall certify compliance with any ongoing requirements. Satisfying these minimum requirements does not guarantee an attorney a contract with the state public defender. The state public defender retains the discretion to deny or terminate contracts if the state public defender determines that such action is in the best interests of the state.

**11.3(1) Juvenile cases.** To be eligible to contract to represent indigent persons in juvenile cases, including juvenile petitions on appeal, an attorney must be in compliance with Rule 8.36 of the Iowa Rules of Juvenile Procedure, regardless of whether the attorney seeks to represent parents or children or serve as guardian ad litem in juvenile court. An attorney contracting to represent indigent persons in juvenile cases must:

*a.* Participate in three hours of continuing legal education related to juvenile court proceedings prior to contracting with the state public defender; and

*b.* Continue to participate in three hours of continuing legal education related to juvenile court proceedings each year.

**11.3(2) Appellate cases.** To be eligible to contract to represent indigent persons in appellate cases, including direct appeals of criminal cases, appeals from postconviction relief proceedings, and appeals from any other case for which counsel is statutorily authorized to be paid from the indigent defense fund at the trial level, an attorney must:

*a.* Participate in the basic criminal appeals training sponsored by the state public defender within one year of entering into the contract, unless the attorney has already handled a criminal appeal in Iowa state court; and

*b.* Participate in three hours of continuing legal education related to criminal law each calendar year in which the attorney has an active indigent defense contract.

**11.3(3) Postconviction relief cases.** To be eligible to contract to represent indigent persons in postconviction relief cases at the trial level, an attorney must:

- a. Have practiced criminal law or served as a judicial law clerk for two years or more in any state or federal court;
- b. Participate in five hours of continuing legal education related to criminal law each calendar year in which the attorney has an active indigent defense contract and in the year prior to entering into the contract;
- c. Participate in a postconviction relief basic training sponsored by the state public defender prior to entering into the contract, unless the attorney has previously handled at least three postconviction relief proceedings to completion; and
- d. Provide the names of at least three judges or magistrates who can discuss the qualifications and effectiveness of the attorney to represent indigent persons in postconviction relief cases.

**11.3(4) Class A and B felonies.** To be eligible to contract to represent indigent persons in Class A and Class B felony cases at the trial level, an attorney must:

- a. Have practiced criminal law for four years or more in any state or federal court;
- b. Have tried at least five criminal jury trials to completion either as lead counsel or as a pro bono second attorney in a criminal jury trial if the service as pro bono second attorney is approved in advance for credit under this rule by the state public defender;
- c. Participate in five hours of continuing legal education related to criminal law each calendar year in which the attorney has an active indigent defense contract and in the year prior to entering into the contract; and
- d. Provide the names of at least three judges or magistrates who can discuss the qualifications and effectiveness of the attorney to represent indigent persons in Class A and Class B felony cases.

If an attorney satisfies the requirements for Class C and Class D felonies, the attorney may contract to serve as the second attorney representing an indigent person in a Class A felony in a case where the first appointed attorney meets these requirements. An attorney who does not meet all the requirements of this subrule may provide the state public defender additional detail regarding the attorney's experience and qualifications and the circumstances preventing the attorney from meeting all the requirements and may be approved for contracting by the state public defender at the state public defender's sole discretion.

**11.3(5) Class C and D felonies.** To be eligible to contract to represent indigent persons in Class C and Class D felony cases at the trial level, an attorney must:

- a. Have practiced criminal law for two years or more in any state or federal court;
- b. Have tried at least one criminal jury trial to completion either as lead counsel or as a pro bono second attorney in a criminal jury trial if the service as pro bono second attorney is approved in advance for credit under this rule by the state public defender;
- c. Participate in five hours of continuing legal education related to criminal law each calendar year in which the attorney has an active indigent defense contract and in the year prior to entering into the contract; and
- d. Provide the names of at least three judges or magistrates who can discuss the qualifications and effectiveness of the attorney to represent indigent persons in felony cases.

An attorney who has not met all requirements may provide the state public defender additional detail regarding the attorney's experience and qualifications and the circumstances preventing the attorney from meeting all the requirements and may be approved for contracting by the state public defender at the state public defender's sole discretion.

**11.3(6) Misdemeanor and other cases.** To be eligible to contract to represent indigent persons in misdemeanor cases, probation and parole revocation cases, contempt proceedings, and any other adult criminal or civil cases for which counsel is statutorily authorized to be paid from the indigent defense fund at the trial level, an attorney must:

- a. Participate in the basic criminal defense training sponsored by the state public defender within one year of entering into the contract, unless the attorney already has an active indigent defense contract or has practiced criminal law for more than two years; and
- b. Participate in three hours of continuing legal education related to criminal law each calendar year in which the attorney has an active indigent defense contract.

**11.3(7) Amended charges.** An attorney who is appointed to a case that is initially within the scope of the attorney's contract but is subsequently amended to contain more serious charges that are outside the scope of the attorney's contract shall request that the court authorize the attorney's withdrawal from the case and appoint an attorney with a contract that covers the amended charges in the county in which the action was pending unless the court determines that no such attorney with an applicable contract is available or the state public defender consents to the continued representation by the original attorney. [ARC 1514C, IAB 6/25/14, effective 7/30/14; ARC 2378C, IAB 2/3/16, effective 3/9/16]

**493—11.4(13B) Contract approval or denial.**

**11.4(1)** The state public defender or a person designated by the state public defender may confer with judges, attorneys and others with knowledge of a potential contracting attorney's competence, effectiveness, trustworthiness, compliance with the minimum qualification requirements set forth in rule 493—11.3(13B), and ability to provide services to eligible individuals and may conduct such additional investigation as deemed warranted in the sole discretion of the state public defender. The information received may be taken into consideration in determining whether it would be in the best interests of the state to enter into an initial or renewal contract with the potential contracting attorney.

**11.4(2)** The state public defender or a person designated by the state public defender may hold discussions with, or otherwise obtain information from, a potential contracting attorney to determine the attorney's qualifications and ability to perform the conditions of an initial or renewal contract.

**11.4(3)** The state public defender or a person designated by the state public defender may hold discussions with, or otherwise obtain information from, a potential contracting attorney to establish under an initial or renewal contract the types of cases the contracting attorney will handle and the geographic area in which the cases will be handled.

**11.4(4)** The state public defender may decline to award an initial or renewal contract to a proposed contracting attorney if the state public defender determines that the contract would not be in the best interests of the state, as described in rule 493—11.8(13B). The state public defender may limit the contract to specific types of cases, a specified geographic area, or both. The state public defender shall give written notice of this action to the attorney. The attorney may seek reconsideration of this decision in the manner prescribed in rule 493—11.9(13B).

**11.4(5)** Nothing contained in this rule shall obligate the state public defender to enter into an initial or renewal contract if the state public defender determines that it is not in the best interests of the state to enter into such contract.

[ARC 1514C, IAB 6/25/14, effective 7/30/14]

**493—11.5(13B) Contract elements.** Rescinded ARC 1514C, IAB 6/25/14, effective 7/30/14.

**493—11.6(13B) Contract renewal.** Prior to renewal of any contract, the state public defender may contact judges, attorneys, court personnel, and others to determine if any existing contract is being properly fulfilled and may conduct such additional investigation as is described in rule 493—11.4(13B). If the state public defender has determined that a contract renewal is in the best interests of the state, the state public defender may offer a new contract to the contracting attorney. The contracting attorney may accept the new contract by signing the contract renewal and returning it to the state public defender prior to the date that the existing contract expires. If the contracting attorney does not sign and return the contract renewal, the contract shall terminate on its expiration date without regard to whether the contracting attorney receives any further notice. If a contracting attorney is not offered a contract renewal, the state public defender shall give the contracting attorney written notice of this action. The attorney may seek reconsideration of this decision in the manner prescribed in rule 493—11.9(13B).

[ARC 1514C, IAB 6/25/14, effective 7/30/14]

**493—11.7(13B) Termination.**

**11.7(1) Termination at will.** Either the state public defender or the contracting attorney may terminate a contract upon 30 days' advance written notice to the other party for any reason or no

reason. Such termination may affect the entire contract, or may relate solely to a particular county or geographical area, or particular type of case.

**11.7(2) Termination for cause.**

*a. License suspension or revocation.* A contract for indigent defense shall automatically terminate without notice upon the suspension or revocation of the attorney's license to practice law in the state of Iowa.

*b. Default.* The state public defender may issue a notice of default based on any of the grounds described in rule 493—11.8(13B). A notice of default shall state the grounds of default and, if feasible, request that the contracting attorney remedy the default within 10 days of the date of the notice. If the events triggering the notice of default continue to be evidenced more than 10 days beyond the date of written notice, the state public defender may immediately terminate the contract without further notice by issuing a notice of termination. An attorney may seek reconsideration of the state public defender's decision to terminate a contract based on the attorney's default in the manner described in rule 493—11.9(13B).

*c. Improper billing practices.* The state public defender may notify the attorney that the state public defender is considering the exercise of the state public defender's contract right to terminate the contract for improper billing practices. The notification shall explain the basis for the state public defender's concern and provide the attorney at least 14 days to provide a response. After consideration of the response, the state public defender may terminate the contract for improper billing practices if the state public defender determines that the attorney has engaged in a pattern of willful, intentional, reckless, or negligent submission of false, abusive, or unreasonably excessive fee claims. An attorney may seek reconsideration of the state public defender's decision to terminate a contract for improper billing practices in the manner described in rule 493—11.9(13B).

**11.7(3) Termination by mutual consent.** Upon the mutual consent, confirmed in writing, of the state public defender and the contracting attorney, the contract may be terminated on less than 30 days' notice. Such termination may affect the entire contract or may relate solely to a particular county or geographical area or to a particular type of case.

[ARC 1514C, IAB 6/25/14, effective 7/30/14; ARC 2378C, IAB 2/3/16, effective 3/9/16]

**493—11.8(13B) Grounds to deny or terminate a contract.** In determining whether the award, renewal, or termination of a contract is in the best interests of the state, the state public defender may take into consideration factors such as, but not limited to, the following:

1. The attorney's eligibility for contracting pursuant to rule 493—11.2(13B) for the type of case in which the attorney is to provide services or the attorney's failure to comply with such requirements;
2. The attorney's compliance with the terms of an existing or prior contract to represent indigent persons;
3. Any form of dishonesty or deception directed to judicial officials, the state public defender, indigent persons, other clients, or any other person in the practice of law;
4. Unprofessional or unethical conduct, or other act or omission that is or may be detrimental or harmful to indigent representation;
5. An attorney's failure to attend, or untimely attendance at, hearings, depositions, or other case-related proceedings;
6. An attorney's failure to abide by a court order, applicable statutes or administrative rules governing indigent representation, or local or state rules of procedure applicable to the cases in which the attorney has been appointed;
7. Repetitive, willful, deceptive, unexplained or uncorrected errors in claims for fees;
8. Disciplinary action against a legal or other professional license or conviction of a crime in any jurisdiction when the disciplinary action or conviction implicates an attorney's honesty, trustworthiness, or competence to practice law, or is otherwise related to the practice of indigent defense;
9. Use of alcohol or controlled substances during court proceedings or in a manner impairing competent performance;

10. Judicial orders or rulings finding that an attorney engaged in untruthful, incompetent, unprofessional, or unethical behavior in the practice of indigent defense, submission of fee claims, or otherwise in the practice of law; or

11. Any other behavior implicating an attorney's competence, effectiveness, or trustworthiness in the practice of indigent defense.

[ARC 1514C, IAB 6/25/14, effective 7/30/14]

**493—11.9(13B,17A) Reconsideration.**

**11.9(1) *Written notice.*** A request for reconsideration is perfected by giving written notice of the request for reconsideration to the state public defender within ten business days of the date of mailing of the notice of denial of an initial or renewal contract or the notice of termination. A request for reconsideration must be in writing and must specify the factual or legal errors the attorney contends were made by the state public defender. The attorney may provide such additional information, explanation or documentation as the attorney believes would be relevant to the reconsideration decision. The request for reconsideration is deemed made on the date of the United States Postal Service nonmetered postmark or the date of personal service on the state public defender.

**11.9(2) *Exhaustion of administrative remedies.*** A request for reconsideration of the state public defender's decision to deny or terminate a contract is an administrative prerequisite to seeking any form of judicial review pursuant to Iowa Code chapter 17A.

**11.9(3) *Informal conference.*** Upon receipt of a request for reconsideration, the state public defender or a person designated by the state public defender may schedule an informal conference with the attorney if in the state public defender's judgment such a conference may foster resolution of the dispute. To the extent that the participation of the state public defender or a person designated by the state public defender in an informal conference could be considered personal investigation as that term is used in Iowa Code section 17A.17, an attorney agreeing to participate in an informal conference waives the right to seek to disqualify the state public defender or a person designated by the state public defender from acting as presiding officer or advising the presiding officer in a subsequent contested case proceeding based solely on the ground of personal investigation during an informal conference. The attorney does not waive the right to raise any other type of disqualification.

**11.9(4) *Reconsideration decision.*** The state public defender shall issue a written reconsideration decision which may uphold, reverse, or modify the initial decision to deny or terminate a contract. The reconsideration decision is final agency action, unless an attorney timely requests a contested case hearing pursuant to rule 493—11.10(13B,17A).

[ARC 2378C, IAB 2/3/16, effective 3/9/16]

**493—11.10(13B,17A) Contested case hearing.**

**11.10(1) *Written request for contested case hearing.*** An attorney who is aggrieved by a reconsideration decision and who desires to contest the factual basis for the reconsideration decision shall request a contested case hearing within 10 days of the date the reconsideration decision is mailed. The request for contested case hearing shall identify the fact issues in dispute and any other claimed error, and shall state the manner in which the state public defender is alleged to have relied upon erroneous facts.

**11.10(2) *Procedures.*** The request for contested case hearing is deemed made on the date of the United States Postal Service nonmetered postmark or the date of personal service on the state public defender. A contested case hearing shall be conducted pursuant to the procedures set forth in 481 IAC Chapter 10.

**11.10(3) *A timely request for contested case hearing is an administrative prerequisite to seeking any form of judicial review pursuant to Iowa Code chapter 17A.***

**11.10(4) *Presiding officer.*** The state public defender or a person designated by the state public defender may preside over the contested case hearing and issue a final decision, or the state public defender may request that the hearing be conducted by an administrative law judge from the department of inspections and appeals who shall issue a proposed decision subject to review by or appeal to the state public defender. If the notice of hearing does not identify an administrative law judge as the presiding

officer, an attorney may file a written request that an administrative law judge serve as the presiding officer at hearing. Such request must be filed within 20 days after service of the notice of hearing by certified mail, return receipt requested, to the attorney's last-known address. The state public defender may deny the request only upon a finding that one or more of the following apply:

- a. There is a compelling need to expedite issuance of a final decision.
- b. The case involves significant policy issues of first impression that are inextricably intertwined with the factual issues presented.
- c. Funds are unavailable to pay the costs of an administrative law judge and possible resulting interagency appeal.
- d. The request was not timely made.
- e. The demeanor of the witnesses is likely to be dispositive in resolving the disputed factual issues.

**493—11.11(13B,17A) Judicial review.**

**11.11(1)** The final decision by the state public defender to deny an attorney's request to enter into an initial or renewal contract for indigent representation, to terminate such a contract for cause following issuance of a notice of default, or to terminate such contract for improper billing practices is reviewable pursuant to Iowa Code chapter 17A.

**11.11(2)** Nothing in this rule shall prevent the informal resolution of a decision to deny or terminate an initial or renewal contract through mutually agreeable settlement at any stage of the proceeding.

CHAPTER 12  
CLAIMS FOR INDIGENT DEFENSE SERVICES

**493—12.1(13B,815) Scope.** This chapter sets forth the rules for submission, payment and court review of indigent defense fee claims. See 493—Chapter 7 for definitions of terms used in this chapter.

**12.1(1)** The state public defender will pay from the indigent defense fund attorney fees and costs for the following types of cases: commitment of sexually violent predators under Iowa Code chapter 229A; contempts; postconviction relief proceedings to the extent authorized under Iowa Code chapter 822; juvenile justice under Iowa Code section 232.141(3)(c); guardians ad litem for children in juvenile court under Iowa Code chapter 600 or respondents under Iowa Code chapter 600A; fees for appellate attorneys under Iowa Code section 814.11; fees to attorneys under Iowa Code section 815.7; fees for court-appointed counsel under Iowa Code section 815.10; violation of probation or parole under Iowa Code chapter 908; indigent's right to transcript on appeal under Iowa Code section 814.9; indigent's application for transcript in other cases under Iowa Code section 814.10; and special witnesses for indigents under Iowa Code section 815.4.

**12.1(2)** The state public defender will not pay for the costs for any type of administrative proceeding or any other proceeding under Iowa Code chapter 598, 600, 600A, 633, or 915 or other provisions of the Iowa Code.

**12.1(3)** The Iowa Code requires the state public defender to approve only those indigent defense fee claims that are reasonable and appropriate under applicable statutes. In exercising this duty, the state public defender publishes rules and makes judgments considering what is statutorily permitted, fair for claimants, fair for indigent clients (who, by law, are required to reimburse the state for the costs of their defense to the extent they are reasonably able to pay such costs), and consistent with good stewardship of public appropriations.

[ARC 1512C, IAB 6/25/14, effective 7/30/14]

**493—12.2(13B,815) Submission and payment of attorney claims.**

**12.2(1) Required claim documents.** Court-appointed attorneys shall submit written indigent defense fee claims to the state public defender for review, approval and payment. These claims shall include the following:

*a.* A completed fee claim on a form promulgated by the state public defender.

(1) Adult fee claims, including all trial-level criminal and postconviction relief proceedings, misdemeanor appeals to district court, and applications for discretionary review or applications for interlocutory appeals to the Iowa supreme court, must be submitted on an Adult form. Juvenile fee claims, including petitions on appeal and applications for interlocutory appeals, must be submitted on a Juvenile form. Appellate fee claims, including claims for all criminal and postconviction relief appeals, work performed after the granting of an application for discretionary review or for interlocutory appeal, and work performed after full briefing is ordered following a juvenile petition on appeal, must be submitted on an Appellate form. For paper claims submitted on or before December 31, 2016, the claim forms may be downloaded from the state public defender Web site: <http://spd.iowa.gov>.

(2) Claims submitted on or after January 1, 2017, shall be submitted electronically via the online claims Web site: <https://spdclaims.iowa.gov>. Effective January 1, 2017, any reference in these rules to forms for Adult, Juvenile, or Appellate claims means the respective electronic claims submission page on the online claims Web site. The state public defender, at the state public defender's sole discretion, may grant limited exceptions to the requirement that claims be submitted electronically via the online claims Web site.

*b.* A copy of all orders appointing the attorney to the case.

(1) The appointment order must be signed by the court and either dated by the court or have a legible file-stamp.

(2) If, at the time of appointment, the attorney does not have a contract to represent indigent persons in the type of case and the county in which the action is pending, the appointment order must include either a finding that no attorney with a contract to represent indigent persons in that specific type of case

and that county is available or a finding that the state public defender was consulted and consented to the appointment.

(3) Claims for probation or parole violations and contempt actions are considered new cases, and the attorney must submit a copy of an appointment order for these cases. Appointment orders in parole violation cases must also contain the following findings:

1. The alleged parole violator requests appointment of counsel;
2. The alleged parole violator is indigent as defined in Iowa Code section 815.9;
3. The alleged parole violator, because of lack of skill or education, would have difficulty in presenting the alleged violator's version of a disputed set of facts, particularly when presentation requires the examining or cross-examining of witnesses or the offering or dissecting of complex documentary evidence; and
4. The alleged parole violator has a colorable claim that the alleged violation has not been committed, or there are substantial reasons which justify or mitigate the violation and make revocation inappropriate.

(4) If the venue is changed in a juvenile case, an order appointing the attorney in the new county must be submitted.

(5) A new appointment order is not necessary for trial counsel to request or resist an interlocutory appeal or an application for discretionary review.

(6) A new appointment order is not necessary to pursue or respond to a juvenile petition on appeal if the attorney was properly appointed to represent the client in juvenile court. If the original trial counsel withdraws or is removed from the case, the new appellate counsel must attach an order appointing the attorney for the appeal.

(7) An appointment order is not necessary if the state public defender determines the appointment order is unnecessary.

*c.* A copy of any application and court order authorizing the attorney to exceed the attorney fee limitations.

*d.* A copy of any court order that affects the amount to be paid or the client's right to counsel.

*e.* A copy of the dispositional order, the order granting a motion to withdraw prior to disposition, procedendo, or other court order documenting the "date of service" for the claim.

*f.* An itemization detailing all work performed on the case for which the attorney seeks compensation and all expenses incurred for which the attorney seeks reimbursement.

(1) The itemization must state the date and amount of time spent on each activity. Time must be reported in tenths of an hour. Time shall be rounded to the nearest tenth of an hour. For example, an attorney spending ten minutes performing an activity shall bill 0.2 hours, while an attorney spending seven minutes performing an activity shall bill 0.1 hours. The time spent on each activity must be separately itemized, except that one or more activities on the same day, each taking less than 0.1 hours, must be aggregated together with other activities so that the aggregate amount billed is at least 0.1 hours. If an attorney performs only a single activity taking less than 0.1 hours for a client on a day, the attorney may bill 0.1 hours regardless of the precise length of time spent on the activity. If an attorney performs multiple related activities on the same day, such as multiple e-mail or telephone exchanges, the activities must be aggregated together if separately itemizing the activities would result in claiming more time than the attorney actually spent performing the activities.

(2) The itemization shall separately designate time claimed for in-court time, out-of-court time, paralegal time and travel time.

(3) If another attorney performed any of the work, the itemization shall specify the name of the attorney performing each activity. It is permissible to use initials representing the name, so long as an explanation is provided as to the full name for each set of initials with the itemization.

(4) The itemization must be in chronological order.

(5) If the attorney seeks reimbursement for expenses incurred, the itemization must separately state each expense incurred, including any specific information required by rule 493—12.8(13B).

(6) For paper claims submitted on or before December 31, 2016, the itemization must be typed in at least 10-point type on 8½" × 11" paper. For claims submitted on or after January 1, 2017, the itemization

shall be submitted electronically via the Attorney Hours grid on the appropriate claims submission page on the online claims Web site. Separate electronic attachments of itemizations will not be accepted.

g. If the attorney was privately retained to represent the client prior to appointment, a copy of any representation agreement, written notice of the dollar amount paid to the attorney, and an itemization of services performed and how any funds provided were spent during the period prior to the court appointment. The state public defender will review the amount paid and hours spent before and after the court appointment in determining the appropriate attorney compensation on the claim.

**12.2(2) Failure to submit required documents.** Submitted claims for which the entire claim form has not been properly completed or which do not include the documents required by subrule 12.2(1) may be returned to the attorney for additional information and resubmission within the time required by paragraph 12.2(3)“d.” If the attorney fails to submit all the required documentation to support a claim, the state public defender may request additional information or may deny all or a portion of the claim.

**12.2(3) Timely claims required.** Claims submitted prior to the date of service shall be returned to the claimant unpaid and may be resubmitted to the state public defender after the date of service. Claims that are not submitted within 45 days of the date of service as defined in this subrule may be denied, in whole or in part, as untimely unless the delay in submitting the claim is excused by paragraph 12.2(3)“f.” Attorney fees and expenses that are submitted on a claim denied as untimely under this subrule may be resubmitted on a subsequent claim that is timely submitted with respect to a subsequent date of service in the same case. For purposes of this subrule, a probation, parole, or contempt proceeding is not the “same case” as the underlying proceeding.

a. *Adult claims.* For adult claims, “date of service” means the date of filing of an order indicating that the case was dismissed or the client was acquitted, the date of the expiration of the time for appeal from a judgment of conviction, the date of a final order in a postconviction relief case, the date of mistrial, the date on which a warrant was issued for the client, or the date of a court order authorizing the attorney’s withdrawal from a case prior to the date of a dismissal, acquittal, sentencing, or mistrial. The filing of a notice of appeal is not a date of service. If a motion for reconsideration is filed, the date on which the court rules on that motion is the date of service. For interim adult claims authorized by subrule 12.3(3) or 12.3(4), the date of service is the last day on which the attorney claimed time on the itemization of services.

b. *Juvenile claims.* For juvenile claims, “date of service” means the date of filing of an order as a result of the dispositional hearing or most recent postdispositional hearing that occurs while the client is still an active party in the case, the date on which the client ceased to be a party, the date of a court order authorizing the attorney’s withdrawal from a case prior to the filing of the final ruling with respect to the client, the date jurisdiction is waived to adult court, the date on which the venue is changed, the date of dismissal, or the file-stamped date of a procedendo resulting from a petition on appeal. The date of a family drug court meeting, family team meeting, staffing, or foster care review board hearing is not a date of service.

c. *Appellate claims.* For appellate claims, “date of service” means the date on which the case was dismissed, the date of a court order authorizing the attorney’s withdrawal prior to the filing of the proof brief, the date on which the proof brief was filed, or the date on which the procedendo was issued.

d. *Notices of action and returned claims.* For claims of any type that are filed as a result of a notice of action letter or a returned fee claim letter, “date of service” means the date of the notice of action letter or returned fee claim letter. But a claim that is denied as untimely does not become timely merely because it was resubmitted within 45 days of a returned fee claim letter. A timely claim returned to the attorney for additional information shall continue to be deemed timely only if resubmitted with the required information within 45 days of being returned by the state public defender.

e. *Court orders.* For claims of any type that are filed as a result of a court order after hearing for review of the fee claim, “date of service” means the file-stamped date of the order.

f. *Exceptions to the 45-day rule.* The state public defender may in the state public defender’s sole discretion approve a claim that was not submitted within 45 days of the date of service only if the delay in submitting the claim was caused by one of the following circumstances:

- (1) The death of the attorney;

(2) The death of the spouse of the attorney, a child of the attorney, or an employee of the attorney who was responsible for assisting in the preparation of the attorney's fee claims;

(3) A serious illness, injury, or other medical condition that prevents the attorney from working for more than 3 consecutive days and occurs in the last 5 days before the expiration of the 45-day period for timely claims;

(4) The attorney's need to care for the attorney's spouse or child with a serious illness, injury, or other medical condition that prevents the spouse or child from working, attending school, or performing other regular daily activities for more than 3 consecutive days and occurs in the last 5 days before the expiration of the 45-day period for timely claims.

(5) Other circumstances in which the state public defender determines, in the sole discretion of the state public defender, that enforcement of the 45-day rule would impose an undue burden and that payment of the claim should in fairness be made, in whole or in part. The state public defender, in the exercise of such discretion, may consider factors including, but not limited to:

1. The extent to which the 45-day rule was violated;
2. The justification provided by the attorney;
3. The attorney's claim history;
4. The extent of prejudice likely to be experienced by the attorney, the state public defender, and any party to the proceeding, including the attorney's client.

Any claim submitted pursuant to subparagraph (1) must be submitted within 45 days of the death of the attorney. Any claim submitted pursuant to subparagraph (2) must be submitted within 30 days of the death that caused the delay. Any claim submitted pursuant to subparagraph (3) or (4) must be submitted within 15 days of the end of the illness, injury, or medical condition that caused the delay. An attorney claiming an exception to the 45-day rule shall submit with the claim a letter explaining the applicable exception and written documentation supporting the exception.

**12.2(4) *Valid appointment required.*** Claims for compensation from an attorney appointed as counsel or guardian ad litem may be denied if the attorney was appointed contrary to Iowa Code section 814.11 or 815.10. Claims for which court-appointed counsel at state expense is not statutorily authorized or which are not payable from the indigent defense fund created by Iowa Code section 815.11 shall be denied.

*a. Appellate appointments.* Claims for compensation from an attorney whose appointment as counsel or guardian ad litem at the appellate level does not comply with Iowa Code section 814.11 may be denied in whole or in part.

*b. Trial-level designations.* Claims by an attorney whose appointment in a case as counsel or guardian ad litem at the trial level was made on or after July 1, 2009, may be denied in whole or in part if the state public defender filed a designation effective at the time of the appointment designating a local public defender, nonprofit corporation, or attorney to represent indigent persons in that type of case in the county in which the case was filed, unless the appointment order and any supporting documentation submitted with the claim demonstrate that:

- (1) The state public defender's designee and any successor designee have withdrawn from the case or have been offered and declined to take the case; or
- (2) The state public defender's designee and any successor designee would have withdrawn from or would have declined to take the case had the appointment been offered.

*c. Trial-level contract attorney preference.* Claims by an attorney whose appointment in a case as counsel or guardian ad litem at the trial level was made on or after February 1, 2012, may be denied in whole or in part unless:

- (1) At the time of the appointment, the attorney had a contract with the state public defender to represent indigent persons in that specific type of case and that county in which the action was pending; or
- (2) The appointment order includes a specific finding that no attorney with a contract to represent indigent persons in that specific type of case and that county in which the action was pending is available or a finding that the state public defender was consulted and consented to the appointment; or
- (3) After the appointment, the attorney entered into a contract with the state public defender, or amended the attorney's existing contract, to represent indigent persons in the specific type of case and

the county in which the action was pending, in which case only the portion of the claim for the services performed prior to the effective date of the contract shall be denied.

**12.2(5) *Scope of appointment.*** Claims shall only be paid for services rendered and expenses incurred within the scope of the attorney's court appointment. Any other fees or expenses claimed shall be denied.

*a. Services prior to appointment.* Claims for services rendered or expenses incurred prior to the effective date of the attorney's appointment are not payable within the scope of the attorney's appointment and shall be denied.

*b. Representation of parents after termination of parental rights.* Claims for services rendered or expenses incurred by an attorney for representing a parent in a child in need of assistance case or termination of parental rights case for work performed after the date on which the termination of that parent's parental rights becomes final, either on appeal or because no appeal was taken, are not payable within the scope of the attorney's appointment and shall be denied.

*c. Guardian ad litem for children over the age of 18.* Claims for services rendered or expenses incurred by a guardian ad litem for a child who is aged 18 or older and involved in a juvenile court proceeding are only within the scope of appointment if the court enters an order appointing the guardian ad litem for the limited purposes of continuing a relationship with the child and to provide advice to the child relating to the child's transition plan under Iowa Code section 232.2 beyond the child's eighteenth birthday. The appointment shall end on the date a court order relieving the guardian ad litem of further duties or the date of a court order closing the juvenile case, whichever occurs first, and claims for services rendered or expenses incurred after such date shall be denied. Neither a parent nor guardian of the child in interest is entitled to court-appointed counsel during the post-age 18 transition period.

**12.2(6) *Rate of compensation.*** Claims for compensation in excess of the applicable rate of compensation established by rule 493—12.4(13B,815) or in the attorney's contract with the state public defender are not payable and shall be reduced to the applicable rate of compensation.

**12.2(7) *Excessive claims.*** The amount of a claim for services provided or expenses incurred that is excessive shall be reduced by the state public defender to an amount which is not excessive. Only reasonable and necessary compensation and expenses will be approved for payment.

**12.2(8) *Review of claims after contract termination for improper billing practices.*** A claim submitted by an attorney whose contract with the state public defender is terminated for improper billing practice shall be paid only to the extent that the claim is supported by authentic, independent, written documentation originating from sources other than the attorney, even if such a claim would otherwise be payable under this chapter. Any portion of a claim for a service performed or expense incurred that is not independently verified by such documentation is not payable under the contract and shall be denied.

*a. Acceptable documentation.* Independent, written documentation that may support a claim for services performed or expenses incurred by the attorney includes, but is not limited to:

(1) Affidavits of clients, witnesses, prosecutors, service providers, department of human services staff, court staff, or other persons who can verify that the attorney performed a service for a specific length of time on a specific day. Affidavits from employees of the attorney or the attorney's firm, family members of the attorney, or other attorneys within the same law firm as the attorney are not independent documentation and are insufficient to confirm a claim for a service performed or expense incurred.

(2) Court orders or other documents in the court file that verify the attorney's attendance at a court proceeding, as well as the date, time, duration, and location of the proceeding.

(3) Deposition transcripts and other records of the certified shorthand reporter that verify the attorney's attendance at a deposition, as well as the date, time, duration, and location of the deposition.

(4) Records of a jail or correctional facility that document the date, time, and duration of visits, telephone calls, or videoconferencing sessions with clients or witnesses in custody in the facility.

(5) Records of a telecommunication provider that verify the length of telephone calls, long-distance expenses, or fax expenses.

(6) Records of an online legal research service that document the date, time, duration, and nature of legal research performed.

(7) Calculations from mapping software, such as MapQuest or Google Maps, of the distance traveled to a location where a verified service was provided.

(8) Original printed receipts for expenses incurred.

*b. Pending claims.* Any claims submitted by an attorney that have not yet been approved by the state public defender when the attorney's contract with the state public defender is terminated for improper billing practices shall be returned to the attorney. The attorney may resubmit any claim returned in its entirety, or a portion thereof, within the time required by paragraph 12.2(3) "d," with the additional documentation required by this subrule confirming all time and expenses claimed on the itemization. The resubmitted claim shall be reviewed consistent with the requirements of this subrule. Any claim not resubmitted within the time required by paragraph 12.2(3) "d" shall be denied.

*c. Court review.* An attorney whose claim is denied or reduced pursuant to this subrule may seek court review of the state public defender's action on that claim by filing a motion for court review as provided for by rule 493—12.9(13B,815). But if the attorney has sought review of the state public defender's decision to terminate the attorney's contract for improper billing practices, the court shall stay proceedings on the attorney's motion until the attorney has exhausted all administrative remedies, final judgment has been entered in any judicial review action under Iowa Code chapter 17A, and any appeal of such judgment is decided. The final judgment of any judicial review action under Iowa Code chapter 17A regarding the termination of the attorney's contract conclusively determines the applicability of this subrule. If the attorney fails to seek judicial review of the state public defender's decision to terminate the attorney's contract, the state public defender's notice to the attorney that the state public defender is terminating the attorney's contract for improper billing practices is conclusive evidence that this subrule applies, and the attorney may not challenge the termination decision or the applicability of this subrule in the motion for review of the state public defender's action on the fee claim under rule 493—12.9(13B,815).

**12.2(9) Approval of claims.** Claims shall be forwarded to the department for final processing and payment only after the state public defender has determined that payment of the claim is appropriate under this chapter and under Iowa law. No payments shall be made from the indigent defense fund except with the authorization of the state public defender.

**493—12.3(13B,815) Interim claims.** Claims will be paid at the earlier of the conclusion of the case or when legal representation of the client under the original court appointment is concluded, except as provided for in subrule 12.3(1), 12.3(2), 12.3(3), or 12.3(4).

**12.3(1) Juvenile cases.** An initial claim for services in a juvenile case may be submitted after the dispositional hearing, if any. Subsequent claims may be submitted after each court hearing held in the case. A court hearing does not include family drug court, family team meetings, staffings or foster care review board hearings.

**12.3(2) Appellate cases.** A claim for work performed may be submitted in appellate cases after the filing of the attorney's proof brief. A subsequent claim may be submitted after the procedendo is filed.

**12.3(3) Class A felonies.** Interim claims in Class A felony cases may be submitted once every three months, with the first claim submitted at least 90 days following the effective date of the attorney's appointment.

**12.3(4) Other cases.** In all other cases, claims filed prior to the conclusion of the case will not be paid except with prior written consent of the state public defender.

**12.3(5) Change of employment.** A change of employment is not a basis for submitting an interim claim. An attorney changing firms must wait to submit a claim until the conclusion of the case unless the attorney withdraws from the case or subrule 12.3(1), 12.3(2), or 12.3(3) applies. Because indigent defense contracts are with the attorney and not with the law firm, the state public defender shall send payments to whatever person or law firm the departing attorney directs.

**12.3(6) Approval of interim claims.** Approval of any interim claims shall not affect the right of the state public defender to review subsequent claims or the aggregate amount of the claims submitted.

[ARC 1512C, IAB 6/25/14, effective 7/30/14]

**493—12.4(13B,815) Rate of compensation.** Unless the attorney has a contract that provides for a different manner or rate of payment, the following hourly rates shall apply to payment of all claims for cases to which the attorney was appointed after June 30, 1999, and before July 1, 2006:

Attorney time:	Class A felonies	\$60/hour
	Class B felonies	\$55/hour
	All other criminal cases	\$50/hour
	All other cases	\$50/hour
Paralegal time:		\$25/hour

Unless the attorney has a contract that provides for a different manner or rate of payment, the following hourly rates shall apply to payment of all claims for cases to which the attorney was appointed after June 30, 2006, and before July 1, 2007:

Attorney time:	Class A felonies	\$65/hour
	All other criminal cases	\$60/hour
	All other cases	\$55/hour
Paralegal time:		\$25/hour

Unless the attorney has a contract that provides for a different manner or rate of payment, the following hourly rates shall apply to payment of all claims for cases to which the attorney was appointed after June 30, 2007:

Attorney time:	Class A felonies	\$70/hour
	Class B felonies	\$65/hour
	All other criminal cases	\$60/hour
	All other cases	\$60/hour
Paralegal time:		\$25/hour

**12.4(1) Applicability to juvenile cases.** In a juvenile case to which the attorney was appointed before July 1, 1999, the state public defender will pay the attorney \$50 per hour for all services performed following the dispositional hearing or the first regularly scheduled review hearing occurring after June 30, 1999. In a juvenile case to which the attorney was appointed after June 30, 1999, but before July 1, 2006, the state public defender will pay the attorney \$55 per hour for all services performed following the dispositional hearing or the first regularly scheduled review hearing occurring after June 30, 2006. In a juvenile case to which the attorney was appointed after June 30, 2006, but before July 1, 2007, the state public defender will pay the attorney \$60 per hour for all services performed following the dispositional hearing or the first regularly scheduled review hearing occurring after June 30, 2007. However, the attorney must file separate claims for services before and after said hearing. If a claim is submitted with two hourly rates on it, the claim will be paid at the lower applicable rate.

**12.4(2) Appointments before July 1, 1999.** In a case to which the attorney was appointed before July 1, 1999, attorney time shall be paid at a rate that is \$5 per hour less than the rates established pursuant to 2000 Iowa Acts, chapter 1115, section 10. Claims for compensation in excess of these rates are not payable under the attorney's appointment and will be reduced.

**12.4(3) Applicability to appellate contracts.** Rescinded IAB 6/25/14, effective 7/30/14.

**12.4(4) All other cases.** As used in this rule, the term "all other cases" includes appeals, juvenile cases, contempt actions, representation of material witnesses, and probation/parole violation cases, postconviction relief cases, restitution, extradition, and sentence reconsideration proceedings without regard to the level of the underlying charge.

[ARC 1512C, IAB 6/25/14, effective 7/30/14]

**493—12.5(13B,815) Payable attorney time.**

**12.5(1) *Maximum daily hours.*** An attorney appointed as counsel or guardian ad litem must not perform services for indigent persons or submit claims to the state public defender for payment for such services for more than 12 hours of the attorney's time in any calendar day except as provided in this subrule.

*a.* An attorney may perform services for indigent persons and submit claims to the state public defender for payment for such services for more than 12 hours and less than or equal to 16 hours in a calendar day if and only if the attorney is in trial or other contested court hearing lasting more than one day or the attorney is preparing for such a trial or hearing that will be occurring within the next seven days.

*b.* If an attorney performs services for indigent persons and submits claims to the state public defender for payment for such services for more than 12 hours and less than or equal to 16 hours in a calendar day, the attorney shall include with each claim form submitted to the state public defender that claims time for that date, even if the amount claimed on that claim form is less than 12 hours, a letter specifying the total hours worked for indigent persons, any additional time billed to other private clients on that date or certifying that no other time was billed to any other client, and explaining the need to work more than 12 hours.

*c.* Any time claimed by an attorney appointed as counsel or guardian ad litem in excess of 12 hours on a calendar day, except as permitted by this subrule, and any time claimed in excess of 16 hours on a calendar day, shall not be paid. If the time is claimed on multiple claims, the most recently submitted claim claiming time on a particular calendar day shall be reduced so as not to pay more than the maximum authorized daily hours. If more than the maximum authorized amount is inadvertently paid by the state public defender, the attorney shall reimburse the state public defender upon written notice of the improper payment.

**12.5(2) *Standardized and estimated billing prohibited.*** All time submitted on the itemization of services must be the actual time worked providing services to the client. Attorneys are prohibited from using standardized billing estimates for tasks, such as billing 0.1 for every page of a document reviewed or 0.2 for every e-mail sent or received, or 1.0 hour for every court proceeding. Attorneys must also not use standardized billing for cases, such as billing the same set of standard tasks in every case regardless of whether the task was actually performed.

**12.5(3) *Nonbillable time.*** The following activities are not reasonable and necessary legal services for the indigent client, and therefore time and expenses for such activities are not payable under the attorney's appointment and shall be denied:

*a.* Clerical work, including but not limited to opening and closing files; making photocopies; opening or sending mail; sending cover letters; transmitting copies of documents to a client, another party or clerk of court; sending faxes; picking up or delivering documents; drafting internal file memos; giving instructions to support staff; or billing;

*b.* Preparation of motions to withdraw from a case, and other time related to withdrawing from a case, when the withdrawal is made in order to retire from the practice of law, discontinue or reduce indigent defense representation, pursue another job, or is otherwise for the attorney's personal benefit;

*c.* Overhead, including time spent managing the operations of the attorney's law practice, office lease payments, or support staff salaries;

*d.* Preparation of the fee claim, itemization of services, or other time-keeping activities;

*e.* Preparation of an application or proposed order to exceed the fee limitations, court time obtaining such an order, or review of the order granting or denying the application;

*f.* Preparation of a motion for judicial review of the state public defender's action on an attorney fee claim, preparation for or attendance at a hearing on such a motion, review of an order granting or denying the motion, preparation of appellate briefs or other documents in an appeal of such a court order, preparation for or participation in oral arguments in the appeal, or review of an appellate decision regarding such a court order.

**12.5(4) *Travel time.*** Time spent by an attorney or guardian ad litem traveling is only payable when the travel is reasonable and necessary to represent the indigent client and the attorney or guardian ad litem is traveling:

- a.* To and from the scene of a crime in a criminal case or juvenile delinquency proceeding;
- b.* To and from the location of a pretrial hearing, trial, or posttrial hearing in a criminal case if the venue has been changed from the county in which the crime occurred or if the location of the court hearing has been changed, without changing venue, to a different county for the convenience of the court;
- c.* To and from the place of incarceration of a client in a postconviction relief case, criminal appeal, or postconviction relief appeal;
- d.* To and from the place of detention of a client in a juvenile delinquency or criminal case if the place of detention is located outside the county in which the action is pending;
- e.* To and from the location of the placement of a child in a juvenile case if the guardian ad litem is required by statute to visit the placement and the placement is located in Iowa, but outside the county in which the case is pending;
- f.* To and from the location of the placement of a child in a juvenile case if the guardian ad litem is required by statute and court order to visit the placement and the placement is outside the state of Iowa;
- g.* To and from the location of a family team meeting, if the place of the meeting is located outside the county in which the action is pending and the court approves that the location of the meeting is appropriate;
- h.* To and from a court of appeals or supreme court argument;
- i.* To and from the location where the deposition of an expert witness is being taken; or
- j.* To other locations for which travel authorization is obtained from the state public defender.

**12.5(5) *Substitute counsel time.*** Work performed by substitute counsel on behalf of an attorney appointed as counsel or guardian ad litem is payable only as provided for under this subrule. The appointed attorney is at all times personally responsible for the representation of the client and must ensure that substitute counsel is qualified to perform the work directed and that the client is effectively represented at all times. The appointed attorney is responsible for compensating substitute counsel. Claims for payment directly by substitute counsel or claims for payment by the appointed attorney that are inconsistent with this subrule shall be denied.

*a. Court time.* An attorney appointed as counsel or guardian ad litem must handle all court appearances unless the appointed attorney has a scheduling conflict, an illness, or other personal emergency, in which case the matter may be covered by substitute counsel. Substitute counsel may never cover for oral arguments in appellate cases.

*b. Out-of-court time.* Substitute counsel may perform out-of-court legal services, except that time spent by substitute counsel that duplicates work performed by the appointed attorney and time spent receiving direction from or conferencing with the appointed attorney are not payable.

*c. Exceptional circumstances.* Substitute counsel may be used in situations that would otherwise be impermissible if the state public defender concludes that use of such substitute counsel would be in the best interest of the client and the administration of justice and provides prior written consent to the appointed attorney.

*d. Supervisory time.* Time spent by the appointed attorney directing, reviewing, or correcting the work of substitute counsel is not payable.

*e. Qualification of substitute counsel.* Unless the state public defender has given prior written consent to use the attorney as substitute counsel, substitute counsel must have an active contract with the state public defender to perform indigent defense services, although the contract need not cover the type of case or county of the case for which the claim is submitted.

*f. Inapplicability to co-counsel in Class A felonies.* The previous paragraphs of this subrule do not apply to a co-counsel who is separately appointed in a Class A felony. Each separately appointed co-counsel in a Class A felony shall submit a separate indigent defense fee claim that claims only the

work actually performed by the appointed attorney submitting the claim. The use of substitute counsel is not permissible in a Class A felony in which co-counsel has been separately appointed.

**493—12.6(13B,815) Attorney fee limitations.**

**12.6(1) Adult cases.** The state public defender establishes attorney fee limitations for combined attorney time and paralegal time for the following categories of adult cases:

Class A felonies	\$18,000
Class B felonies	\$3,600
Class C felonies	\$1,800
Class D felonies	\$1,200
Aggravated misdemeanors	\$1,200
Serious misdemeanors	\$600
Simple misdemeanors	\$300
Simple misdemeanor appeals to district court	\$300
Contempt/show cause proceedings	\$300
Proceedings under Iowa Code chapter 229A	\$10,000
Probation/parole violation	\$300
Extradition	\$300
Postconviction relief—the greater of \$1,000 or one-half of the fee limitation for the conviction from which relief is sought.	

Nothing in this subrule is intended to in any manner diminish, increase, or modify the state public defender's authority to review any and all claims for services as authorized by the Iowa Code.

The fee limitations are applied separately to each case, as that term is defined in rule 493—7.1(13B,815). If more than one charge is included within a case, the charge with the higher fee limitation will apply to the entire case.

For example, in an adult criminal proceeding, if an attorney were appointed to represent a client charged with four counts of forgery arising at four separate times, and if the client were charged in four separate trial informations, the fee limitations for each charge would apply separately. If all four charges were contained in one trial information, the fee limitation would be \$1,200 even if there were more than one separate occurrence. If the attorney were appointed to represent a person charged with a drug offense and failure to possess a tax stamp, the fee limitation would be the limitation for the offense with the higher limitation, not the total of the limitations.

If the Iowa Code section listed on the claim form defines multiple levels of crimes and the claimant does not list the specific level of crime on the claim form, the state public defender will use the least serious level of crime in reviewing the claim.

For example, Iowa Code section 321J.2 defines crimes ranging from a serious misdemeanor to a Class D felony. If the attorney does not designate the subsection defining the level of the crime, the state public defender will deem the charge to be a serious misdemeanor.

**12.6(2) Juvenile cases.** The state public defender establishes attorney fee limitations for attorney time for the following categories of juvenile cases:

Delinquency (through disposition)	\$1,200
Child in need of assistance (CINA) (through disposition)	\$1,200
Termination of parental rights (TPR) (through disposition)	\$1,800
Juvenile court review and other postdispositional court hearings	\$300
Judicial bypass hearings	\$180
Juvenile commitment hearings	\$180
Juvenile petition on appeal	\$600
Motion for further review after petition on appeal	\$300

Nothing in this subrule is intended to in any manner diminish, increase, or modify the state public defender's authority to review any and all claims for services as authorized by the Iowa Code.

The fee limitations are applied separately to each case, as that term is defined in rule 493—7.1(13B,815).

For example, in a juvenile proceeding in which the attorney represents a parent whose four children are the subject of four child in need of assistance petitions, if the court handles all four petitions at the same time or the incident that gave rise to the child in need of assistance action is essentially the same for each child, the fee limitation for the attorney representing the parent is \$1,200 for all four proceedings, not \$1,200 for each one.

For a child in need of assistance case that becomes a termination of parental rights case, the fee limitations shall apply to each case separately. For example, the attorney could claim up to \$1,200 for the child in need of assistance case and up to \$1,800 for the termination of parental rights case.

In a delinquency case, if the child has multiple petitions alleging delinquency and the court handles the petitions at the same time, the fee limitation for the proceeding is the fee limitation for one delinquency.

In a juvenile case in which a petition on appeal is filed, the appointed trial attorney does not need to obtain a new appointment order to pursue a petition on appeal. The claim, through the filing of a petition on appeal, must be submitted on a Juvenile form. If an appellate court orders full briefing, the attorney fee claim for services subsequent to an order requiring full briefing must be submitted on an Appellate form and is subject to the rules governing appeals.

**12.6(3) Appellate cases.** Except as otherwise provided in this rule with respect to simple misdemeanor appeals to the district court and juvenile petitions on appeal, there is no fee limitation established for appellate cases. Nothing in this subrule is intended to in any manner diminish, increase, or modify the state public defender's authority to review any and all claims for services as authorized by the Iowa Code.

**12.6(4) Claims in excess of fee limitations.** A claim in excess of the attorney fee limitations will not be paid unless the attorney seeks and obtains authorization from the appointing court to exceed the attorney fee limitations prior to exceeding the attorney fee limitations. If authorization is granted, payment in excess of the attorney fee limitations shall be made only for services performed after the date of submission of the request for authorization.

**12.6(5) Retroactivity of authorization.** Authorization to exceed the attorney fee limitations shall be effective only as to services performed after a request for authorization to exceed the attorney fee limitations is filed with the court unless the court enters an order before submission of the claim to the state public defender specifically authorizing a late filing of the application and finding that good cause exists excusing the attorney's failure to file the application prior to the attorney's exceeding the attorney fee limitations. "Good cause" as used in this subrule means a sound, effective and truthful reason. "Good cause" is more than an excuse, plea, apology, extenuation, or some justification. Inadvertence or oversight does not constitute good cause. Retroactive court orders entered after the date of the state public defender's action on a claim are void. See Iowa Code section 13B.4(4).

**493—12.7(13B,815) Reimbursement for specific expenses.**

**12.7(1)** The state public defender shall reimburse the attorney for the payments made by the attorney for necessary certified shorthand reporters, investigators, foreign language interpreters, evaluations, and experts, if the following conditions are met:

*a.* The attorney obtained court approval for a certified shorthand reporter, investigator, foreign language interpreter, evaluation or expert prior to incurring any expenses with regard to each.

*b.* A copy of each of the following documents is attached to the claim:

(1) The application and court order authorizing the expenditure of funds at state expense for the certified shorthand reporter, investigator, foreign language interpreter, evaluation, or expert.

(2) If the expenses are for services of investigators, foreign language interpreters, or experts, a court order setting the maximum dollar amount of the claim. If the initial court order authorizing the expenditure sets the maximum amount of the claims, a subsequent order is unnecessary.

(3) An itemization detailing the expenses incurred, the services rendered, the date(s) on which the services were rendered, the time spent on each date, and the manner in which the amount of the claim for services was calculated.

(4) If the expenses are for foreign language interpreters, the court order and itemization required by subparagraphs 12.7(1)“b”(2) and (3) shall be submitted on the Fee Itemization Form and Court Order Approving Claim for Court Interpreter Services form promulgated by the judicial branch.

(5) If the expenses are for a certified shorthand reporter, any additional documentation required in 493—paragraph 13.2(4)“b” when applicable to the services provided.

(6) Documentation that the attorney has already paid the funds to the certified shorthand reporter, investigator, foreign language interpreter, provider of an evaluation, or expert.

*c.* The expenses would be payable if the certified shorthand reporter, investigator, foreign language interpreter, provider of an evaluation, or an expert submitted such claim directly pursuant to 493—Chapter 13, except for the requirement that the claim be submitted on the miscellaneous claim form promulgated by the state public defender.

*d.* The certified shorthand reporter, investigator, foreign language interpreter, provider of an evaluation, or expert does not submit a claim for the same services.

*e.* In claims for the cost of an evaluation requested by an appointed attorney, the attorney shall be reimbursed for the reasonable cost of an evaluation of the client to establish a defense in the case or to determine if the client is competent to stand trial. In either instance, a copy of the court order authorizing the evaluation for one of these specific purposes and an order approving the amount of the evaluation must accompany the claim form. Claims for the cost of an evaluation to be used for any other purpose, such as sentencing or placement, will not be reimbursed.

**12.7(2)** Nothing contained in this rule is intended to require the attorney to provide notice to any other party prior to seeking such an order or to require the attorney to disclose confidential information, work product, or trial strategy in order to obtain the order.

**12.7(3)** In an appeal, the state public defender will pay the cost of obtaining the transcript of the trial records and briefs. In such instance, subrule 12.7(1) shall apply.

**12.7(4)** Claims for expenses that do not meet these conditions are not payable under the attorney’s appointment and will be denied.

[ARC 0137C, IAB 5/30/12, effective 7/11/12]

**493—12.8(13B,815) Reimbursement of other expenses.**

**12.8(1)** The state public defender shall reimburse the attorney for the following out-of-pocket expenses incurred by the attorney in the case to the extent that the expenses are reasonable and necessary:

*a.* Mileage for automobile travel at the rate of 39 cents per mile. The number of miles driven each day shall be separately itemized on the itemization of services, specifying the date of the travel, the origination and destination locations, the total number of miles traveled that day and, if it is not otherwise clear from the itemization, the purpose of the travel. If the travel is to perform services for multiple clients on the same trip, the mileage must be split proportionally between each client and the

itemization must note the manner in which the mileage is split. The total miles traveled for the case shall also be listed on the claim form. Other forms of transportation costs incurred by the attorney may be reimbursed only with prior approval from the state public defender.

*b.* The actual cost of lodging, limited by the state-approved rate, is reimbursed only if the attorney is entitled to be paid for travel time for the travel associated with the lodging and the attorney is required to be away from home overnight. An itemized receipt showing the expenses incurred must be attached to the claim form.

*c.* The actual cost of meals, limited by the state-approved rate, is reimbursed only if the attorney is entitled to be paid for travel time for the travel associated with these meals. An itemized receipt showing the expenses incurred must be attached to the claim form.

*d.* Necessary photocopying at the attorney's office at the rate of 10 cents per copy. The number of copies made each day must be separately itemized in the itemization of services. The total number of copies must also be listed on the claim form.

*e.* Ordinary and necessary postage, toll calls, collect calls, and parking for the actual cost of these expenses. Toll and collect calls will be reimbursed at 10 cents per minute or the actual cost. A receipt for the actual cost of the toll or collect call must be attached to the claim form. A statement from a correctional facility or jail detailing a standard rate for such calls shall constitute a receipt for purposes of this paragraph. For parking expenses in excess of \$5, a receipt must be attached to the claim form. Claims for the cost of a parking ticket shall be denied. Unless a receipt is provided, any postage, toll calls, collect calls, or parking expenses shall be separately itemized on the itemization of services, specifying the date on which the expense was incurred and, if it is not otherwise clear from the itemization, the purpose of the expense.

*f.* Receiving faxes in the attorney's office at the rate of 10 cents per page. There is no direct cost reimbursement for sending a fax unless there is a toll charge associated with it. Any fax charges claimed shall be separately itemized on the itemization of services, specifying the date on which the expense was incurred and, if it is not otherwise clear from the itemization, the purpose of the expense.

*g.* The actual cost of photocopying or faxing for which the attorney must pay an outside vendor. A receipt for the actual cost must be attached to the claim form.

*h.* Other claims for expenses such as process service, medical records, DVDs, CDs, videotapes, and photographic printing will be reimbursed for the actual cost. A receipt or invoice from an outside vendor must be attached to the claim form.

*i.* Other specific expenses for which prior approval by the state public defender is obtained.

**12.8(2)** Claims for expenses other than those listed in this rule or at rates in excess of the rates set forth in this rule are not payable under the attorney's appointment and will be reduced or denied.

**493—12.9(13B,815) Court review.** An attorney whose claim for compensation is denied, reduced, or otherwise modified by the state public defender, for other than mathematical errors, may seek court review of the action of the state public defender.

**12.9(1) Motions for court review.** Court review of the action of the state public defender is initiated by the filing of a motion with the trial court requesting the review. The following conditions shall apply to all such motions:

*a.* The motion must be filed with the court within 20 days of the action of the state public defender. This time limit is jurisdictional and will not be extended by the filing of another claim, submitting a letter or e-mail requesting reconsideration, or obtaining a court order affecting the amount of the claim.

*b.* The motion must set forth each and every ground on which the attorney intends to rely in challenging the action of the state public defender.

*c.* The motion must have attached to it a complete copy of the claim, together with the notice of action or returned fee claim letter that the attorney seeks to have reviewed.

*d.* A copy of all documents filed must be provided to the state public defender.

*e.* It is unnecessary for the state public defender to file any response to the motion.

**12.9(2) Hearings.** The following shall apply to hearings on motions for court review:

*a.* The motion shall be set for hearing by the court. Notice of the hearing on the attorney's request for review shall be provided to the attorney and the state public defender at least ten days prior to the date and time set by the reviewing court.

*b.* Unless the state public defender appears or specifically indicates an intention to appear in person at the hearing, the state public defender shall participate by telephone. If the state public defender participates by telephone, the state public defender shall be responsible for initiating and paying for the telephone call. If the attorney intends to participate by telephone, the attorney shall notify the state public defender of this intent and provide a telephone number for the hearing at least two business days prior to the date scheduled for the hearing.

*c.* The burden shall be on the attorney requesting the review.

*d.* The court shall consider only the issues raised in the attorney's motion.

*e.* The court shall issue a written ruling on the issues properly presented in the request for review.

*f.* If a ruling is entered modifying the state public defender's action on the claim, the attorney must file a new claim with the state public defender within 45 days of the date of the court's order modifying the state public defender's action on the claim. A copy of the court's ruling and the original claim form and supporting documents must be attached to the claim form. The "date of service" for such a claim is the date of the court's order.

**12.9(3) Failure to seek review.** Failure to seek court review within 20 days of the action of the state public defender will preclude court review of the state public defender's action.

**12.9(4) Other court orders.** Any court order entered after the state public defender has taken action on a claim that affects that claim is void unless the state public defender is first notified and given an opportunity to be heard.

[ARC 1512C, IAB 6/25/14, effective 7/30/14]

**493—12.10(13B,815) Payment errors.** If an error resulting in an overpayment or double payment of a claim is discovered by the attorney, by the state public defender, by the department, or otherwise, the claimant shall reimburse the indigent defense fund for the amount of the overpayment. An overpayment shall be paid by check. The check, made payable to the "Treasurer, State of Iowa," together with a copy of the payment voucher containing the overpayment or double payment, shall be mailed to the Office of the State Public Defender, Lucas State Office Building, 321 East 12th Street, Des Moines, Iowa 50319.

CHAPTER 13  
CLAIMS FOR OTHER PROFESSIONAL SERVICES

**493—13.1(13B,815) Scope.** This chapter sets forth the rules for submission, payment and court review of claims for other professional services. See 493—Chapter 7 for definitions of terms used in this chapter.

**493—13.2(815) Claims for other professional services.** The state public defender shall review and approve claims for necessary and reasonable expenses for investigators, foreign language interpreters, expert witnesses, certified shorthand reporters, and medical/psychological evaluations if the claimant has a form W-9 on file with the department and the claim conforms to the requirements of this rule. Claims that do not comply with this rule will be returned.

**13.2(1) Claims for investigative services.** The state public defender shall review, approve and forward for payment claims for necessary and reasonable expenses for investigators if the following conditions are met:

*a.* The investigator submits a signed original and one copy of a claim containing the following information:

- (1) The case name, case number and county in which the action is pending.
- (2) The name of the attorney for whom the services were provided.
- (3) The date on which services commenced.
- (4) The date on which services ended.
- (5) The total number of hours claimed.
- (6) The total amount of the claim.
- (7) The claimant's name, address, social security number or federal tax identification number, and telephone number.

*b.* Court approval to hire the investigator was obtained before any expenses for the investigator were incurred.

*c.* One copy of each of the following documents is attached to the claim:

- (1) The application and order granting authority to hire the investigator.
- (2) The order appointing counsel. This order is unnecessary if the attorney is not court-appointed but the court, in granting the application noted above, determines that, although the client is able to employ counsel, funds are not available to the client to pay for the necessary investigation.
- (3) An itemization of the investigator's services detailing the expenses incurred, the services rendered, the date(s) on which the services were rendered, the time spent on each date, and the manner in which the amount of the claim for services was calculated.
- (4) A court order setting the maximum dollar amount of the claim. For purposes of this subrule, if the court order that authorizes hiring the investigator sets a limit for the claim, this court order is unnecessary.

*d.* Timely claims required. Claims for services are timely if submitted to the state public defender for payment within 45 days of completion of services in the case. Claims that are not timely shall be denied.

**13.2(2) Claims for foreign language interpreters.** The state public defender shall review, approve and forward for payment claims for necessary and reasonable expenses for foreign language interpreters in accordance with the administrative directive of the state court administrator in the matter of court interpreter compensation, effective September 1, 2007, if the following conditions are met:

*a.* The interpreter submits a signed original and one copy of a claim containing the following information:

- (1) The case name, case number and county in which the action is pending.
- (2) The name of the attorney for whom the services were provided.
- (3) The date on which services commenced.
- (4) The date on which services ended.
- (5) The total number of hours claimed.
- (6) The total amount of the claim.

(7) The claimant's name, address, social security number or federal tax identification number, E-mail address, if any, and telephone number.

b. Court approval to hire the interpreter was obtained before any expenses for the interpreter were incurred.

c. One copy of each of the following documents is attached to the claim:

(1) The application and order appointing the interpreter. This appointment is presumed to continue until the conclusion of the matter, unless limited by the court or modified by a subsequent order.

(2) The order appointing counsel. This order is unnecessary if the attorney is not court-appointed but the court, in granting the application for the appointment of the interpreter, makes one of the following specific findings:

1. The client is indigent, or

2. Although the client is able to employ counsel, funds are not available to the client to pay for necessary interpreter services.

(3) An itemization of the interpreter's services detailing the expenses incurred, the services rendered, the date(s) on which the services were rendered, the time spent on each date including the time services began and ended on each day, and the manner in which the amount of the claim for services was calculated. With regard to expenses and services, the following shall apply:

1. Receipts for parking expenses are reimbursed pursuant to the Judicial Branch Administrative Directive on Court Interpreter and Translator Compensation Policies.

2. Claims for translating documents will be paid pursuant to the Judicial Branch Administrative Directive on Court Interpreter and Translator Compensation Policies.

(4) A court order setting the maximum dollar amount of the claim.

d. Timely claims required. Claims for services are timely if, within 45 days of completion of services, either the claim is submitted to the state public defender for payment or the Fee Itemization Form and Court Order Approving Claim for Court Interpreter Services are filed with the clerk of court in the case. Claims that are not timely submitted shall be denied.

**13.2(3) Claims for expert witnesses.** The state public defender shall review, approve and forward for payment claims for necessary and reasonable expenses for expert witnesses if the following conditions are met:

a. The expert witness submits an original and one copy of a signed claim containing the following information:

(1) The case name, case number and county in which the action is pending.

(2) The name of the attorney for whom the services were provided.

(3) The date on which services commenced.

(4) The date on which services ended.

(5) The total number of hours claimed.

(6) The total amount of the claim.

(7) The claimant's name, address, social security number or federal tax identification number, and telephone number.

b. Court approval to hire the expert witness was obtained before any expenses for the expert witness were incurred.

c. One copy of each of the following documents is attached to the claim:

(1) The application and order granting authority to hire the expert witness.

(2) The order appointing counsel. This order is unnecessary if the attorney is not court-appointed but the court, in granting the application noted above, determines that, although the client is able to employ counsel, funds are not available to the client to pay for necessary expert witness services.

(3) An itemization of the expert witness's services detailing the expenses incurred, the services rendered, the date(s) on which the services were rendered, the time spent on each date, and the manner in which the amount of the claim for services was calculated.

(4) A court order setting the maximum dollar amount of the claim. For purposes of this subrule, if the court order that authorizes hiring the expert sets a limit for the claim, this court order is unnecessary.

(5) If the expert charges a “minimum” amount for services based on a specific time, a certification by the expert that no other services have been performed or charges made by the expert for any portion of that specific time.

**13.2(4) Claims for certified shorthand reporters.** The state public defender shall review, approve and forward for payment claims for necessary and reasonable expenses for depositions and transcripts provided by certified shorthand reporters only in accordance with the requirements of this subrule.

*a. Claim form.* The certified shorthand reporter shall submit a signed original and one copy of a miscellaneous claim form containing the following information:

- (1) The case name, case number and county in which the action is pending.
- (2) The name of the attorney for whom the services were provided.
- (3) The date on which the transcript was ordered.
- (4) The date on which the transcript was delivered.
- (5) The total amount of the claim.
- (6) The claimant’s name; address; social security number, federal tax identification number or vendor identification number; e-mail address, if any; and telephone number.

*b. Required documentation.* One copy of each of the following documents must be attached to the claim:

- (1) The court order granting authority to hire the certified shorthand reporter at state expense.
- (2) The order appointing counsel. This order is unnecessary if the attorney is not court-appointed but the court, in granting authority to hire the certified shorthand reporter, determines that, although the client is able to employ counsel, funds are not available to the client to pay for necessary certified shorthand reporter services.

(3) Itemization of services. If the transcript is for a deposition, the itemization must include the date of deposition, persons deposed, arrival and departure time at the deposition, number of pages and the cost per page, travel time and listing of any other charges. If the transcript is for an audio or video recording, the itemization must include a description of the recording being transcribed, the length of the recording transcribed, the number of pages and the cost per page, and a listing of any other charges.

(4) If expedited transcript rates are claimed under subparagraph 13.2(4) “d”(10), an e-mail or other written statement from the attorney explaining that expedited delivery is required.

(5) If a cancellation fee is claimed under subparagraph 13.2(4) “d”(6), documentation of the date and time that notice of cancellation was given.

(6) If the certified shorthand reporter is a state employee, a certification by the certified shorthand reporter that none of the time for which the claim is being submitted is time for which the certified shorthand reporter was being paid by the state.

*c. Rates for court transcripts.* If the certified shorthand reporter is a judicial branch employee, claims for certified shorthand reporter services for preparation of court transcripts will be limited to the rate approved by the Iowa supreme court for preparation of transcripts and other certified shorthand reporter services.

*d. Rates for other transcripts.* Unless the certified shorthand reporter has a contract with the state providing for a different rate or manner of payment or the certified shorthand reporter submits a claim for a lesser amount, claims for certified shorthand reporter services for a non-judicial branch employee will be paid only at the rates set forth in this paragraph:

(1) Hourly rate when no transcript ordered. Fees for attending depositions when no transcript is ordered will be paid at the rate of \$45 per hour for the actual time the certified shorthand reporter is present at the depositions including setup and takedown of equipment. If multiple witnesses are deposed in a deposition session on a single day, this hourly rate shall only apply if no transcript is ordered for any of the witnesses. If the transcript is ordered for some of the witnesses, the hourly rate when a transcript is ordered shall apply for the entire deposition session.

(2) Hourly rate when transcript ordered. Fees for attending depositions when a transcript is ordered will be paid at the rate of \$35 per hour for the actual time the certified shorthand reporter is present at the depositions including setup and takedown of equipment. Fees for performing a transcription of an

audio or video recording will be paid at the rate of \$35 per hour for the actual length of the recording transcribed.

(3) Travel time. Fees for travel time will be paid at the rate of \$15 per hour for travel outside of the county of the certified shorthand reporter's office location. Travel time within the county of the certified shorthand reporter's office location will not be paid. No travel time is payable for the delivery of a transcript or related to the transcription of an audio or video recording.

(4) Transcripts. Unless expedited delivery is requested, fees will be paid at the rate of \$3.50 per page for an original, one copy, and an electronic version of the transcript. Copies of a transcript for which an original has already been ordered by any party will be paid at the rate of \$1 per page.

(5) Exhibits. A rate of \$0.10 per page for black and white and \$0.30 per page for color copies will be paid.

(6) Cancellation fees. No cancellation fees will be paid as long as the certified shorthand reporter is given notice of cancellation at least 24 hours before the time scheduled for a deposition. Weekends and state holidays shall not be included when calculating the 24-hour prior notice of cancellation contained in this subparagraph. If the deposition is canceled with less than 24 hours' notice, a fee for two hours or the actual time that the certified shorthand reporter is present at the site of the deposition including setup and takedown of equipment, whichever is greater, is payable at the rate set forth in subparagraph 13.2(4) "d"(1). A certified shorthand reporter is deemed to have been given notice of cancellation when an attorney or representative of the attorney delivers notice of a cancellation to the e-mail address provided by the certified shorthand reporter or leaves a message on voicemail or with a representative of the certified shorthand reporter at the telephone number provided by the certified shorthand reporter, not when the certified shorthand reporter actually hears or reads the message. No cancellation fee will be paid related to the transcription of an audio or video recording.

(7) Minimum time. One hour minimum, exclusive of travel time, will be paid for a deposition or transcription of an audio or video recording that takes less than one hour.

(8) Other time. Except for the initial one hour minimum, all time billed at an hourly rate shall be billed in 15-minute increments.

(9) Postage. Actual postage costs that are reasonable and necessary will be paid.

(10) Expedited transcripts. Expedited transcripts are those that are required to be delivered within five business days of the date requested. Fees of \$6 per page for an original, one copy, and an electronic version of the transcript will be paid for expedited transcripts. Copies of an expedited transcript for which an original has already been ordered by any party will be paid at the rate of \$1 per page.

(11) Other expenses. Any additional expenses or fees for certified shorthand reporting services not set forth above will only be paid with the prior written consent of the state public defender obtained before the services are provided.

*e. Timely claims required.* Claims for services are timely if submitted to the state public defender for payment within 45 days of the date on which services are completed. For depositions, services are completed on the date the deposition transcript is delivered or on the date of disposition of the case if no transcript is ordered, whichever date is earlier. For trial transcripts or transcripts of an audio or video recording, services are completed on the date the transcript is delivered. Claims that are not timely shall be denied.

*f. Designation of preferred certified shorthand reporter.* The state public defender may enter into a contract with one or more certified shorthand reporters to provide court reporting services for depositions in one or more counties and may designate such certified shorthand reporters to be the preferred certified shorthand reporters in the respective counties. Such designations shall be provided to the chief judge of the judicial district for the respective counties and shall be summarized on the Web site of the state public defender, <http://spd.iowa.gov>. Claims for services provided in a county in which the state public defender has designated a certified shorthand reporter as the preferred certified shorthand reporter shall be denied unless the claims are submitted by the certified shorthand reporter pursuant to the terms of the contract or are submitted by another certified shorthand reporter and include written documentation that the designated certified shorthand reporter was unavailable to handle the deposition.

**13.2(5) *Claims for court-ordered evaluations.*** The state public defender shall review, approve and forward for payment claims for necessary and reasonable evaluations requested by an appointed attorney only if the purpose of the evaluation is to establish a defense, to determine whether an indigent is competent to stand trial, or to evaluate a defendant at sentencing or resentencing who has been charged as an adult for a felony alleged to have been committed while a juvenile, if the offense has a potential mandatory minimum sentence of imprisonment, and not for any other purpose nor in any other circumstance for sentencing or placement. Additionally, a claim for a court-ordered evaluation will be approved only if the following conditions are met:

*a.* The person performing the evaluation submits a signed original and one copy of a claim containing the following information:

- (1) The case name, case number and county in which the action is pending.
- (2) The name of the attorney for whom the services were provided.
- (3) The date on which services commenced.
- (4) The date on which services ended.
- (5) The total number of hours claimed.
- (6) The total amount of the claim.
- (7) The claimant's name, address, social security number or federal tax identification number, and telephone number.

*b.* Court approval to conduct the evaluation was obtained before any expenses for the evaluation were incurred.

*c.* One copy of each of the following documents is attached to the claim:

- (1) The application and order granting authority to conduct the evaluation. This order must specify that the purpose of the evaluation is for a permissible purpose under this subrule.
- (2) The order appointing counsel. This order is unnecessary if the attorney is not court-appointed but the court, in granting the application noted above, determines that, although the client is able to employ counsel, funds are not available to the client to pay for the evaluation.
- (3) An itemization of the evaluator's services detailing the expenses incurred, the services rendered, the date(s) on which the services were rendered, the time spent on each date, and the manner in which the amount of the claim for services was calculated.
- (4) A court order setting the maximum dollar amount of the claim. For purposes of this subrule, if the court order authorizing the evaluation sets a limit for the claim, this court order is unnecessary.
- (5) If the evaluator charges a "minimum" amount for services based on a specific time, a certification by the evaluator that no other services have been performed or charges made by the evaluator for any portion of that specific time.

**13.2(6) *Submission of claims.*** Claims for payment for professional services provided to a public defender must be submitted to the local public defender office for which the services were provided. Other claims for professional services must be submitted, on a form promulgated by the state public defender, to the state public defender at the following address: State Public Defender, Claims, Lucas State Office Building, 321 East 12th Street, Des Moines, Iowa 50319.

**13.2(7) *Claims from state employees.*** Claims submitted by state of Iowa employees must be submitted on a form promulgated by the state public defender and on a state travel voucher form.

**13.2(8) *Claim form for other professional services.*** Rescinded IAB 1/3/07, effective 2/7/07.  
[ARC 0137C, IAB 5/30/12, effective 7/11/12; ARC 1512C, IAB 6/25/14, effective 7/30/14; ARC 2378C, IAB 2/3/16, effective 3/9/16]

**493—13.3(13B,815) Court review.** A claimant whose claim for compensation is denied, reduced, or otherwise modified by the state public defender, for other than mathematical errors, may seek court review of the action of the state public defender.

**13.3(1) *Motions for court review.*** Court review of the action of the state public defender is initiated by filing a motion with the trial court requesting the review. The following conditions shall apply to all such motions:

- a.* The motion must be filed with the court within 20 days of the action of the state public defender.

*b.* The motion must set forth each and every ground on which the claimant intends to rely in challenging the action of the state public defender.

*c.* The motion must have attached to it a complete copy of the claim, together with the notice of action that the claimant seeks to have reviewed.

*d.* A copy of all documents filed must be provided to the state public defender.

It is unnecessary for the state public defender to file any response to the motion.

**13.3(2) Hearings.** The following shall apply to hearings on motions for court review:

*a.* The motion shall be set for hearing by the court. Notice of the hearing on the claimant's request for review shall be provided to the claimant and the state public defender at least ten days prior to the date and time set by the reviewing court.

*b.* Unless the state public defender specifically indicates an intention to appear in person at the hearing, the state public defender shall participate by telephone. If the state public defender participates by telephone, the state public defender shall be responsible for initiating and paying for the telephone call.

*c.* The burden shall be on the claimant requesting the review.

*d.* The court shall consider only the issues raised in the claimant's motion.

*e.* The court shall issue a written ruling on the issues properly presented in the request for review.

*f.* If a ruling is entered allowing additional fees, the claimant must file a new claim with the state public defender. A copy of the court's ruling must be attached to the claim form. The date of service on the claim form is the date of the court's order.

**13.3(3) Failure to seek review.** Failure to seek court review within 20 days of the action of the state public defender will preclude court review of the state public defender's action.

**493—13.4(13B,815) Processing and payment.** The state public defender will submit claims to the department for processing and payment. The department will submit claims that are not approved in the current fiscal year to the state appeal board for processing and payment.

**493—13.5(13B,815) Payment errors.** If an error resulting in an overpayment or double payment of a claim is discovered by the claimant, by the state public defender, by the department, or otherwise, the claimant shall reimburse the indigent defense fund for the amount of the overpayment. An overpayment or double payment shall be repaid by check. The check, made payable to "Treasurer, State of Iowa," together with a copy of the payment voucher containing the overpayment or double payment, shall be mailed to the Office of the State Public Defender, Lucas State Office Building, 321 East 12th Street, Des Moines, Iowa 50319-0083.

CHAPTER 14  
CLAIMS FOR ATTORNEY FEES IN 600A TERMINATIONS

**493—14.1(13B,600A,815) Scope.** This chapter sets forth specific rules for submission, review and payment of claims for attorney fees in proceedings under Iowa Code chapter 600A. Unless modified in this chapter, the provisions of 493—Chapters 7, 11 and 12 apply to such claims.

**493—14.2(13B,600A,815) Definitions.** The following definitions apply only to this chapter.

*“Indigent”* means the person has an income level at or below 100 percent of the United States poverty level as defined by the most recently revised poverty income guidelines published by the U.S. Department of Health and Human Services, unless the court determines that the person is able to pay for the cost of an attorney in the pending case. In making the determination of a person’s ability to pay for the cost of an attorney, the court shall consider not only the person’s income, but also the availability of any assets subject to execution, including but not limited to cash, stocks, bonds, and any other property which may be applied to the satisfaction of judgments, and the nature and complexity of the case.

[ARC 1512C, IAB 6/25/14, effective 7/30/14]

**493—14.3(13B,600A,815) Hourly rate and fee limitations.** Unless the attorney has a contract with the state public defender that provides for a different rate or manner of payment, claims for attorney fees in a termination of parental rights case under Iowa Code chapter 600A to which the attorney was appointed after March 11, 2004, and before July 1, 2006, shall be paid at the rate of \$50 per hour, with a fee limitation of \$500 for the trial court proceedings and \$500 for appellate proceedings. Claims for attorney fees in a termination of parental rights case under Iowa Code chapter 600A to which the attorney was appointed after June 30, 2006, and before July 1, 2007, shall be paid at the rate of \$55 per hour, with a fee limitation of \$550 for the trial court proceedings and \$550 for appellate proceedings. Claims for attorney fees in a termination of parental rights case under Iowa Code chapter 600A to which the attorney was appointed after June 30, 2007, shall be paid at the rate of \$60 per hour, with a fee limitation of \$600 for the trial court proceedings and \$600 for appellate proceedings.

**493—14.4(13B,600A,815) Limitations on other charges and expenses.** For appeals, the state public defender shall approve claims for the actual cost of a transcript and printing of necessary briefs. The state public defender shall not approve claims for travel time, paralegal time, or other out-of-pocket expenses at the trial or appellate level.

**493—14.5(13B,600A,815) Claims for attorney fees.** Except as provided in this chapter, claims for attorney fees for representing the respondent in proceedings for termination of parental rights cases under Iowa Code chapter 600A shall be reviewed by the state public defender in the same manner as provided in 493—Chapter 12.

**14.5(1)** Claim forms. Claims for services provided at the trial level shall be submitted on a Juvenile claim form. Claims for services provided on appeal shall be submitted on an Appellate claim form.

**14.5(2)** Required documents. In addition to the other requirements provided in 493—Chapter 12, the attorney shall submit a copy of both the petitioner’s and respondent’s financial affidavit and any order of the juvenile court determining that the state public defender rather than the petitioner is responsible for payment of the respondent’s attorney fees.

**14.5(3)** The provisions for review of the state public defender’s action provided in 493—Chapter 12 shall apply to claims submitted under this chapter.

**14.5(4)** If the petitioner or prospective parent is responsible for payment of the indigent respondent’s attorney fees and expenses, the state public defender does not receive, review, or pay the fee claim. Any such claim submitted to the state public defender will be returned to the attorney who submitted the claim.

[ARC 1512C, IAB 6/25/14, effective 7/30/14]

**493—14.6(13B,600A,815) Report to judicial branch.** The state public defender shall submit quarterly to the state court administrator a report detailing all approved and paid attorney fee claims for termination of parental rights cases under Iowa Code chapter 600A.

These rules are intended to implement Iowa Code chapters 13B, 600A, 815 and 908 as amended by 2005 Iowa Acts, House File 683.
