

**645—63.3(157) Responsibilities of salon owners.** Each salon owner shall ensure the following:

1. Individuals employed for cosmetology arts and sciences services or other licensees working in the salon hold a current and active license issued by either the board of cosmetology arts and sciences or the board of barbering;
2. Licensees employed by the salon or other licensees working in the salon do not exceed their scope of practice; and
3. License renewal cards are properly displayed in the front entrance area at eye level. No license which has expired or become invalid for any reason shall be displayed in connection with the practices of the salon.
