

**657—28.10(17A) Exemptions from public rule-making procedures.**

**28.10(1) *Emergency-adopted rule.*** To the extent the board for good cause finds that public notice and participation are unnecessary, impracticable, or contrary to the public interest in the process of adopting a particular rule, and with the prior approval of the ARRC and ARC, or if a statute so provides, the board may adopt that rule without publishing advance Notice of Intended Action in the Iowa Administrative Bulletin and without providing for written or oral public submissions prior to its adoption. The board shall incorporate the required finding and a brief statement of its supporting reasons in each rule adopted in reliance upon this subrule.

**28.10(2) *Notice of emergency-adopted rule.*** The board may, at any time, begin a standard rule-making proceeding for the adoption of a rule that is emergency-adopted without notice pursuant to subrule 28.10(1) and that is identical or similar to a rule it adopts in reliance upon subrule 28.10(1). After notice commenced pursuant to this subrule, the board may either readopt the rule it emergency-adopted without benefit of all usual procedures on the basis of subrule 28.10(1) or may take any other lawful action, including the amendment or repeal of the rule in question, with whatever further proceedings are appropriate.
