

571—15.3(483A) Form of licenses. Every license shall contain a general description of the licensee. At the time of application, the applicant for a license must provide the applicant's date of birth and either a social security number or a valid Iowa driver's license number. The license shall be signed by the applicant and shall clearly indicate the privilege granted.

[ARC 7852B, IAB 6/17/09, effective 7/22/09]
