

199—33.6(476) Standards for costing service transfers within a regulated subsidiary or utility.

33.6(1) *Nonutility service provided to regulated subsidiary or utility.* The utility or its regulated subsidiary shall pay for a nonutility service provided to it by an affiliate at the price actually charged to nonaffiliates. If no such price is available, the service is to be priced at the lower of fully distributed cost, the price actually charged to affiliates, or the market price for comparable services.

33.6(2) *Service provided by the utility to nonutility operations.* A utility that provides utility service to a nonutility affiliate is to charge such affiliate the tariffed price or, if a tariffed price is not available, the fully distributed cost of the service.
