

761—411.4(321L) Removable windshield placards.**411.4(1) Nonexpiring removable windshield placards.**

a. Period of validity. A nonexpiring removable windshield placard issued on or before December 31, 2016, shall remain valid until the occurrence of any condition set forth in Iowa Code section 321L.3(1), the procedure set forth in rule 761—411.8(321L), and as otherwise specified by statute or rule.

b. Replacement. A lost, stolen, or damaged nonexpiring removable windshield placard shall be replaced with a standard removable windshield placard.

411.4(2) Standard removable windshield placards. A standard removable windshield placard may be issued only to a person with a permanent disability. A standard removable windshield placard shall not be issued to a person with a temporary disability or to an organization.

a. Period of validity. A standard removable windshield placard shall be valid for five years, and shall expire on the last day of the last month, five years from the month from which it was issued.

b. Renewal.

(1) Submission of application. A person who holds a valid standard removable windshield placard may renew the placard by submitting a persons with disabilities parking permit application pursuant to rule 761—411.3(321L) that includes all required documentation and shows the applicant remains permanently disabled and has a continuing need for the placard.

(2) Timing of renewal application. An application to renew a standard removable windshield placard may be submitted up to 30 days before the current placard's expiration. The renewal or replacement placard shall be valid for five years, and shall expire on the last day of the last month, five years from the month from which it was issued.

411.4(3) Temporary removable windshield placards. A temporary removable windshield placard may be issued to the applicant if the application demonstrates the applicant has a temporary disability. A temporary removable windshield placard shall not be issued to an organization.

a. Period of validity. A temporary removable windshield placard shall be valid for the period of time during which the applicant is expected to be disabled and the period of time for which the permit should be issued as shown by the statement of disability, but not to exceed six months.

b. Renewal.

(1) Submission of application. A person who holds a valid temporary removable windshield placard may renew the placard by submitting a persons with disabilities parking permit application pursuant to rule 761—411.3(321L) that includes all required documentation and shows the applicant remains temporarily disabled.

(2) Timing of renewal application. An application to renew a temporary removable windshield placard may be submitted up to 30 days before the current placard's expiration. The renewal placard shall be valid for the period of time during which the applicant is expected to be disabled and the period of time for which the permit should be issued as shown by the statement of disability, but not to exceed six months.

411.4(4) Removable windshield placards for an organization. An organization may be issued a removable windshield placard. A removable windshield placard issued to an organization shall be valid for four years and shall expire on the last day of the last month, four years from the month from which it was issued. The placard shall bear the name of the organization and the signature of its authorized representative. The organization may renew a placard issued to it by submitting a persons with disabilities parking permit application pursuant to rule 761—411.3(321L) provided the organization continues to provide the service for which the placard was issued. If at any time the organization ceases providing the service for which the placard was issued, the organization shall immediately surrender the placard to the department.

411.4(5) Display of placards. A removable windshield placard shall only be displayed when the vehicle is parked in a persons with disabilities parking space. The removable windshield placard shall be displayed in a manner that allows the entire placard to be visible through the vehicle's windshield.
