

191—2.1(17A,22) Statement of policy. The purpose of this chapter is to facilitate broad public access to open records. It also seeks to facilitate sound division determinations with respect to the handling of confidential records and the implementation of the fair information practices Act. This division is committed to the policies set forth in Iowa Code chapter 22. The division's website provides access to all public records. Division staff will cooperate with members of the public in implementing the provisions of that chapter.
