

641—80.4(135) Utilization of LPHS contract funding. The contractor may bill the department for staff time, salaries and benefits, and other necessary costs to implement the approved work plan.

80.4(1) Planning process. Annually, the contractor shall conduct a planning process to identify the utilization of LPHS contract funding that considers the unique and changing needs of the communities served.

80.4(2) Reallocation. The department will annually determine the potential for unused funds from contracts. Reallocation of the funds shall be at the discretion of the department.
