

281—103.10(256B,280) Department responsibilities. The department will develop, establish, and distribute to all school districts evidence-based standards, guidelines, and expectations for the appropriate and inappropriate responses to behavior in the classroom that presents an imminent threat of bodily injury to a student or another person and for the reasonable, necessary, and appropriate physical restraint of a student, consistent with these rules.

The director of the department will consult with the area education agencies to create comprehensive and consistent standards and guidance for professional development relating to successfully educating individuals in the least restrictive environment, and for evidence-based interventions consistent with the standards established pursuant to this rule.
