

199—31.2 (476) Availability of records.

31.2(1) *Separate records.* All affiliates of the public utility shall maintain records which are separate from the records of the public utility.

31.2(2) *Records to be maintained.* The records maintained by each affiliate and made available for inspection through the public utility shall include, but not be limited to: ledgers; balance sheets; income statements—both consolidated and consolidating; documents depicting accounts payable and vouchers; purchase orders; time sheets; journal entries; source and supporting documents for all transactions; supporting documents and models for all forecasts of affiliates used by the public utility; all contracts, including summaries of unwritten contracts or agreements; a description of methods used to allocate revenues, expenses, and investments among affiliates or jurisdictions, including supporting detail; and copies of all filings required by other state and federal agencies.

31.2(3) *Method of inspection.* The records of each affiliate shall be made available to the board at the principal place of business of the public utility. Notwithstanding rule 199—18.3(476), upon receipt of a formal request in writing from the board for information, the public utility shall produce the requested information within seven days. Upon a showing of good cause, the board may approve additional time for response.
