

441—153.3(234) Amendment to preexpenditure report and intended use plan.

153.3(1) The preexpenditure report and intended use plan may be amended throughout the year. The department may file an amendment changing the kind, scope or duration of a service. Decisions to change a direct service or state purchase service will be made by the department.

Prior to filing an amendment, the department will evaluate available funds and the effect any change will have on clients.

153.3(2) An amendment in the preexpenditure report and intended use plan will be posted in the local offices affected by the amendment at least 30 days prior to the effective date of the change. However, in the event funding for the service has been exhausted, an amendment shall be posted immediately notifying the public that the service will no longer be available. The service area manager will, whenever possible, give advance notice of a service termination made necessary because funds have been exhausted. When a service is added or extended, an amendment may be posted immediately and a 30-day posting period is not required.

153.3(3) Individuals or groups may submit written comments to the service area manager or to the Division of Fiscal Management, Iowa Department of Human Services, Hoover State Office Building, 1305 E. Walnut Street, Des Moines, Iowa 50319-0114.

153.3(4) Nothing in this rule will supersede the requirement for notifying clients of adverse action as provided in 441—130.5(234).
