

441—184.7(225C) Redetermination of eligibility. The department shall send a verification packet, which shall include instructions and necessary forms for verification of continuing eligibility, to all recipients of subsidy payments at least 30 calendar days prior to the deadline date for annual redetermination of eligibility. The completed verification materials shall be submitted annually to the department. If the signed verification of continuing eligibility is not received by the department by the last working day of the renewal month, the family's subsidy shall be terminated.
