

567—122.7(455D) CRT recycling facility permit application requirements.

122.7(1) A CRT recycling facility permit applicant shall submit the following permit application information to the department:

a. The name, address, and telephone number of:

- (1) The owner of the site where the project will be located.
- (2) The permit applicant.
- (3) The individual responsible for the operation of the project.
- (4) The agency to be served by the project, if any.
- (5) The responsible official of the agency to be served, if any.

b. The physical location of the facility, and any collection sites if separate from the main facility.

c. Proof of the applicant's ownership of the property or legal entitlement to use the property for CRT recycling. If the facility is leased, the applicant shall submit a signed statement from the property owner stating that the property owner is aware that CRT collection or recycling is taking place at the property and that the property owner may be held liable for wastes left at the property.

d. Documentation that the facility meets local zoning requirements.

e. A brief description of the facility and the CRT processing that will take place.

122.7(2) If the department finds the permit application information to be incomplete, it shall notify the applicant of that fact and of the specific deficiencies. If the deficiencies are not corrected within 30 days, the department may deny the application. The applicant may reapply without prejudice.
