

**571—92.3(481A) Hunting methods.** Migratory game birds may be taken by any method except those prohibited in this rule. No person shall take migratory game birds (brant, wild ducks, geese, rails, coots, woodcock, and snipe):

**92.3(1)** With a trap, snare, net, crossbow, rifle, pistol, swivel gun, shotgun larger than 10-gauge, punt gun, battery gun, machine gun, fish hook, poison, drug, explosive or stupefying substance;

**92.3(2)** With a shotgun of any description capable of holding more than three shells, unless it is plugged with a one-piece filler, incapable of removal without disassembling the gun, so its total capacity does not exceed three shells;

**92.3(3)** On all lands and waters of the state of Iowa while having in one's possession any shot other than nontoxic shot approved by the U.S. Fish and Wildlife Service. This subrule shall not apply to the taking of woodcock.

**92.3(4)** From or by means or use of a sinkbox or any other type of low-floating device, having a depression affording the hunter a means of concealment beneath the surface of the water;

**92.3(5)** From or by means, aid, or use of any motor vehicle, motor-drive land conveyance, or aircraft of any kind, except that paraplegics and single or double amputees of the legs may take from any stationary motor-driven land conveyance. "Paraplegic" means an individual afflicted with paralysis of the lower half of the body with the involvement of both legs, usually due to disease of or injury to the spinal cord;

**92.3(6)** From or by means of any motorboat or other craft having a motor attached, or any sailboat, unless the motor has been completely shut off or the sail furled, and its progress therefrom has ceased: Provided, that a craft under power may be used to retrieve dead or crippled birds. However, crippled birds may not be shot from such craft under power;

**92.3(7)** By the use or aid of live birds as decoys; although not limited to, it shall be a violation of this subrule for any person to take migratory waterfowl on an area where tame or captive live ducks or geese are present unless such birds are and have been for a period of ten consecutive days prior to such taking, confined within an enclosure which substantially reduces the audibility of their calls and totally conceals such birds from the sight of wild migratory waterfowl;

**92.3(8)** By the use or aid of recorded or electrically amplified bird calls or sounds, or recorded or electrically amplified imitations of bird calls or sounds;

**92.3(9)** By means or aid of any motor-driven land, water, or air conveyance or any sailboat used for the purpose of or resulting in the concentrating, driving, rallying, or stirring up of any migratory bird; or

**92.3(10)** By the aid of baiting, or on or over any baited area. As used in this subrule, "baiting" shall mean the placing, exposing, depositing, distributing, or scattering of shelled, shucked or unshucked corn, wheat or other grain, salt, or other feed so as to constitute for such birds a lure, attraction or enticement to, on, or over any areas where hunters are attempting to take them; and "baited area" means any area where shelled, shucked or unshucked corn, wheat or other grain, salt, or other feed capable of luring, attracting, or enticing such birds is directly or indirectly placed, exposed, deposited, distributed, or scattered and such area shall remain a baited area for ten days following complete removal of all such corn, wheat or other grain, salt, or other feed. However, nothing in this subrule shall prohibit:

*a.* The taking of all migratory game birds, including waterfowl, on or over standing crops, flooded standing crops (including aquatics), flooded harvested croplands, grain crops properly shocked on the field where grown, or grains found scattered solely as the result of normal agricultural planting or harvesting; and

*b.* The taking of all migratory game birds, except waterfowl, on or over any lands where shelled, shucked or unshucked corn, wheat or other grain, salt, or other feed has been distributed or scattered solely as the result of valid agricultural operations or procedures.

**92.3(11)** By any of the methods or means prohibited in this rule unless such methods or means have been approved by the U.S. Fish and Wildlife Service for the taking of light geese during special light goose-only seasons or light goose-only hunts.
