

**701—110.26(427) Web search portal and data center business property.** This exemption includes computers and equipment necessary for the maintenance and operation of a web search portal or data center business, including cooling systems, cooling towers, and other temperature control infrastructure; power infrastructure for transformation, distribution, or management of electricity, including but not limited to exterior dedicated business-owned substations, and power distribution systems which are not subject to assessment under Iowa Code chapter 437A; back-up power generation systems, battery systems, and related infrastructure; and racking systems, cabling, and trays. The exemption does not apply to land, buildings, and improvements. The web search portal or data center business must meet the requirements contained in Iowa Code section 423.3, subsection 92, subsection 93, or subsection 95, for the exemption to be allowable. The owner of the property must file a claim for exemption with the assessor by February 1 of the first year the exemption is claimed. Claims for exemption in successive years will be required only for property additions.

This rule is intended to implement Iowa Code sections 427.1(35) and 427.1(36) and section 427.1 as amended by 2009 Iowa Acts, Senate File 478, section 200.
