

**701—602.21(422) S corporation and limited liability company financial institutions.** For tax years beginning on or after January 1, 1997, a financial institution as defined in Section 581 of the Internal Revenue Code which has in effect an election under Subchapter S of the Internal Revenue Code must compute an amount of income as if the financial institution were subject to federal corporation income tax. For tax years beginning on or after July 1, 2004, a financial institution organized as a limited liability company under Iowa Code chapter 524 that is taxed as a partnership for federal income tax purposes must compute an amount of income as if the financial institution were subject to federal corporation income tax. The income is to be computed in the same manner as a financial institution that is subject to or liable for federal income tax under the Internal Revenue Code in effect for the applicable tax would compute its federal taxable income.

This rule is intended to implement Iowa Code section 422.61 as amended by 2004 Iowa Acts, House File 2484.
