

441—112.12(237) Record checks. Record checks as defined in 441—Chapter 114 are required for any entity being considered for licensure or employment by a licensee on a facility campus where children reside to determine whether any applicant has any founded child abuse reports or criminal convictions or has been placed on a sex offender registry.

This rule is intended to implement Iowa Code section 237.8.
