

281—7.2(256,17A) Definitions. For the purpose of these rules, the following definitions apply:

“*Competitive program grant*” means the collective activities of a competitive grant funded through the department.

“*Program period*” means the period of time that the department intends to support the program without requiring the recompetition for funds. The program period is specified within the grant application.

“*Service delivery area*” means the defined geographic area for delivery of program services.
