

421—23.5(216A,PL94-385,PL98-558) Payments.

23.5(1) *Duplicate and fraudulent payment control.* Each LAA is required to provide a system to monitor and prevent possible duplicate and other fraudulent applications and payments. Duplication cross-checks shall be based on the unique client/vendor identifier.

23.5(2) *Referrals.* Each LAA is required to refer all suspected cases of fraud, including duplicate payments, overpayments, and fraudulent statements on applications, to the division for investigation.
