NOTE—The above summary includes both bills and joint resolutions. It also includes the 262 code revision bills in each house. The 393 measures acted on include 63 legalizing acts.

Of the 262 Code Revision bills 54 were passed and signed by the Governor. There remain for consideration at the extra session all of the others, except 12 withdrawn because rendered unnecessary by enactments by the 39th G. A. and subject to the fact that various others were withdrawn and some indefinitely postponed during the regular session of the 40th G. A. Consult lists on pages 3 and 4 of this volume.

During the extra session of the 40th G. A. the bill index will be issued each alternate week, instead of weekly, by virtue of a provision in S. F. 255 making this change in the law. The first edition will appear at the end of the fourth week, as now provided by law.

*On April 23 the Governor vetoed two of the Senate measures on his desk at adjournment, namely, S. F. 273, the gas tax bill, and S. F. 759, designed to perfect the gas tax bill; also H. F. 1 (extra session) was likewise vetoed, as it, too, was a follow-up of the gas tax bill.
