COVID-19 — IOWA PANDEMIC RECOVERY: STATE EXPENDITURES

Expenditure Tracking. The Department of Management (DOM) and Department of Administrative Services (DAS) have established a process for tracking expenditures of federal funds that State agencies have received for costs associated with the COVID-19 pandemic. The expenditure data is available at data.iowa.gov. The information in this *Fiscal Update Article* is intended to provide a summary of the year-to-date expenditures of the federal funds that have been awarded to State agencies.

The federal funds discussed in this article are associated with funds that have reporting requirements for grant recipients specified in Section 15011 of <u>H.R. 748</u> (Coronavirus Aid, Relief, and Economic Security [CARES] Act). These federal funds are also referred to as "covered funds," which means any funds and loans made available to nonfederal entities under the following Acts:

- H.R. 6074 Coronavirus Preparedness and Response Supplemental Appropriations Act
- <u>H.R. 6201</u> Families First Coronavirus Response Act
- H.R. 748 CARES Act
- Any other federal Act making appropriations for COVID-19 response and related activities under Section 15010(6) of the CARES Act.

To date, State agencies in Iowa have been awarded in excess of \$4.078 billion in federal funds related to the COVID-19 pandemic. Of the total funds awarded, State agencies have expended \$2.781 billion through August 24, 2020, for numerous programs and purposes. Of the total year-to-date expenses, \$2.279 billion (81.9%) has been for worker unemployment benefits. The following chart shows the State agencies with the most expenditures.

The following table shows the year-to-date expenditures by department and federal program. A description of the federal programs can be found here.
