COVID-19 — GOVERNOR'S PROCLAMATIONS — JUNE 25, 2021

Governor Reynolds proclaimed a State of Disaster Emergency on March 9, 2020, in response to the outbreak of COVID-19 following a national public health emergency declaration issued by the United States Department of Health and Human Services on January 31, 2020, and multiple individuals within the State of Iowa testing presumptive positive for COVID-19. The Governor issued an additional Proclamation of Disaster Emergency on March 13, 2020, establishing a State of Public Health Disaster Emergency.

On June 25, 2021, the Governor issued an additional [Proclamation of Disaster Emergency](#) in response to the COVID-19 pandemic. This Proclamation orders the following measures:

- All State agencies, school districts, and other local government bodies and agencies are to take all efforts to safely provide in-person instruction throughout the school year. These efforts must also ensure that schools have flexibility to continue providing education remotely if it becomes necessary and that parents have the option to select a learning model that fits the needs of their family. This suspension is expiring on June 30, 2021.
- Brick-and-mortar school districts and accredited nonpublic schools are to provide instruction primarily through remote learning opportunities, waiving the requirement to provide an opportunity for full-time in-person instruction only in the following circumstances:
 - If a parent or guardian voluntarily selects the remote learning opportunity from among multiple options provided by the school district or nonpublic school in accordance with its Return-to-Learn Plan.
 - If the Iowa Department of Education, in consultation with the IDPH, approves of the temporary move to primarily remote learning for an entire school building or district because of public health conditions in the building or district.
 - If the school district or accredited nonpublic school determines, in consultation with State and local public health departments, that individual students or classrooms, but less than half the students in a school building, must temporarily move to primarily remote learning because of public health conditions in the building.
 - If the school district or accredited nonpublic school determines that an entire school building or district must temporarily move to primarily remote learning because of inclement weather for a period not exceeding five consecutive school days, unless the IDPH approves of a longer period.

This suspension is expiring on June 30, 2021.
