CAPITOL PLANNING COMMISSION — JULY 2021

Meeting. The Iowa Capitol Planning Commission met in person and via remote conference on July 21, 2021.

Elections. The Commission elected Annette Renaud as chairperson and Brett Seelman as vice-chairperson for FY 2022.

Site Features Committee Update. The Site Features Committee provided an update on the Monument Conservation Fund. In 2016, the General Assembly appropriated \$100,000 for monument conservation, with the contingency that each dollar in State funding is matched with two dollars in private funding. As of June 30, 2021, approximately \$123,000 has been received from donations and LSA gift shop sales, with a legislative match of approximately \$61,000. The Commission anticipates donations to increase as the volume of tours increases. The Site Features Committee also provided an update on the status of the trees planted north and south of the Soldiers in White memorial.

Next Meeting. The next meeting will be October 20, 2021.
