26 This bill modifies provisions related to the national guard
27 service scholarship program and establishes the national guard
28 service continuing education scholarship program.

29 DIVISION I — NATIONAL GUARD SERVICE SCHOLARSHIP PROGRAM.
30 The national guard service scholarship program, administered by
31 the college student aid commission, provides annual awards to
32 Iowa national guard members who attend eligible Iowa colleges
33 and universities. Current law provides that scholarship awards
34 under the program shall not exceed the resident tuition rate
35 established for institutions of higher learning under the

1 control of the state board of regents. The bill provides that
2 the amount of the scholarship awards also shall not exceed
3 the difference between the tuition rate at the institution
4 attended by the national guard member less any financial aid
5 the national guard member receives under certain specified
6 federal programs.

7 DIVISION II — NATIONAL GUARD SERVICE CONTINUING EDUCATION
8 SUPPORT PROGRAM. The bill establishes the national guard
9 service continuing education scholarship program within
10 the college student aid commission. The program provides
11 scholarships to members of the Iowa national guard who are
12 participating in an educational program leading to a credential
13 that is approved by the adjutant general and offered by a
14 community college, an institution of higher learning under the
15 state board of regents, or an accredited private institution.
16 The bill requires the adjutant general to publish and maintain
17 a list of approved educational programs. The bill defines
18 "credential" to mean a postsecondary certificate or other
19 competency-based credential, but does not include an associate
20 degree or any degree beyond an associate degree. The bill
21 establishes eligibility criteria for the program.

22 The bill provides that scholarship awards paid pursuant to
23 the program shall not exceed the total cost charged by the
24 institution attended by the national guard member for the
25 educational program. The bill also provides that neither
26 eligibility nor scholarship award determinations shall be based
27 upon a national guard member's unit, the location at which
28 drills are attended, or whether the eligible individual is a
29 member of the Iowa army or air national guard.

30 The bill provides that the eligibility of applicants and
31 scholarship award amounts to be paid shall be certified by the
32 adjutant general of Iowa to the college student aid commission,
33 and all amounts that are or become due to a community college,
34 accredited private institution, or institution of higher
35 learning under the control of the state board of regents under

1 the program shall be paid to the college or institution by the
2 college student aid commission upon receipt of certification by
3 the president or governing board of the educational institution
4 as to accuracy of charges made, and as to the attendance
5 and academic progress of the individual at the educational
6 institution.

7 The bill establishes that moneys appropriated for purposes
8 of the program which remain unencumbered or unobligated at
9 the close of the fiscal year shall not revert but shall be
10 available for expenditure for the purposes designated upon the
11 authority of the adjutant general.
