16 EXPLANATION

17 The inclusion of this explanation does not constitute agreement with
18 the explanation's substance by the members of the general assembly.

19 This bill relates to the powers, duties, and
20 responsibilities of state government entities associated with
21 the budget, financial control, and information technology.

22 For purposes of Code chapter 8 (budget and financial
23 control), the bill defines "appropriable receipts", "custodial
24 funds", "general fund", "government funds", "private purposes
25 trust funds", and "special revenue fund". The term "repayment
26 receipts" is redefined as "appropriated receipts" and the term
27 is changed throughout the Code.

28 The bill adds relevant definitions from Code chapter 8B
29 (information technology) as part of the bill's integration of
30 Code chapter 8B into Code chapter 8, including "broadband",
31 "broadband infrastructure", "communications service provider",
32 "crop operation", "facilitate", "information technology",
33 "information technology device", "information technology
34 services", "information technology staff", "infrastructure
35 services", "targeted service area", "underserved area",

1 and "value-added services". The bill replaces the term
2 "participating agency" for purposes of information technology
3 with the term "supported entity".

4 The bill defines "capital project" for purposes of Code
5 section 8.3A (capital project planning and budgeting). The
6 term is also used in Code sections 8.5 and 8.22 for budgeting
7 purposes.

8 The bill authorizes the director of the department of
9 management (DOM) to establish, abolish, and consolidate
10 divisions within DOM. The bill strikes a provision requiring
11 the DOM director to post a \$25,000 surety bond. Under current
12 law (Code section 8A.321(12)), the department of administrative
13 services (DAS) purchases a blanket surety bond for state
14 officers.

15 The bill consolidates Code sections 8.5 and 8.6, which
16 relate to general and specific duties of the DOM director.
17 Duties relating to the reporting of standing appropriations are
18 moved to Code section 8.22. Duties relating to the preparation
19 of local budget reports are moved to new Code section 8.48.
20 The bill adds duties relating to information technology as part
21 of the bill's integration of Code chapter 8B into Code chapter
22 8, including preparing legislative proposals, designating a
23 chief information officer, providing advice to the governor,
24 consulting, and addressing cybersecurity.

25 The bill eliminates the special olympics fund and instead
26 provides a standing appropriation to DOM for such purposes.

27 The bill revises the functions and duties of the office of
28 grants enterprise management within DOM.

29 The bill authorizes DOM to establish one or more funds within
30 the state treasury under the control of DOM for purposes of
31 administering DOM.

32 The bill moves and alters provisions relating to
33 supplemental appropriations estimates from Code section 8.28 to
34 Code section 8.22.

35 The bill revises the duties of the revenue estimating

1 conference and strikes provisions relating to the conference's
2 estimate for tax refunds payable from estimated revenue and
3 certain specified revenue estimates.

4 The bill combines the Iowa economic emergency fund (EEF) and
5 the cash reserve fund (CRF) by (1) eliminating the EEF, (2)
6 increasing the maximum balance of the CRF from 7.5 percent of
7 the adjusted revenue estimate to 12.5 percent of the adjusted
8 revenue estimate, and (3) authorizing moneys in the CRF to
9 be used for purposes previously authorized for moneys in the
10 EEF. These authorizations include (1) support of the executive
11 council, (2) appropriations to the general fund of the state
12 (GF) under emergency circumstances when the balance of the
13 GF is negative, and (3) transfers of a budget surplus to the
14 taxpayer relief fund and to the GF, as applicable. Upon the
15 elimination of the EEF, remaining EEF moneys are transferred to
16 the CRF up to the CRF's new maximum balance, and then to the GF.

17 The repeal dates for Code sections 8.57G (Iowa coronavirus
18 fiscal recovery fund) and 8.57H (Iowa coronavirus capital
19 projects fund) are extended from July 1, 2025, to July 1, 2027.
20 The Iowa skilled worker and job creation fund is moved to Code
21 chapter 8, subchapter V (special purpose funds), and the sports
22 wagering receipts fund is moved from Code section 8.57 to new
23 Code section 8.57I.

24 The bill revises the provisions establishing the office of
25 lean enterprise and change management within DOM.

26 In 2022, the general assembly converted the office of the
27 chief information officer (OCIO) from an independent agency to
28 an entity within DOM. Generally, the bill eliminates the OCIO
29 and updates and moves relevant provisions from Code chapter 8B
30 into Code chapter 8.

31 The bill authorizes the chief information officer and DOM to
32 adopt various information technology policies and procedures
33 and provide continuous monitoring through a cybersecurity
34 operations center. The bill designates DOM as the sole
35 authority in state government for providing and procuring

1 information technology goods and services and for establishing
2 associated master agreements. The bill authorizes DOM to
3 establish and collect fees associated with purchases made from
4 DOM information technology agreements, to be retained by DOM
5 for administration.

6 Under the bill, employees of DOM are no longer subject to a
7 24-month limitation on employee interchange among governmental
8 entities.

9 The bill eliminates an existing exception providing that
10 the Iowa public employees' retirement system (IPERS) is not
11 a supported entity for purposes of information technology,
12 thereby subjecting IPERS to DOM's powers and responsibilities
13 relating to information technology under the bill.

14 The bill eliminates the salary adjustment fund, references
15 to the GAAP (generally accepted accounting principles) deficit,
16 and provisions relating to the preparation of a tentative
17 budget. The bill repeals provisions freezing appropriations
18 under Code sections 53.50 (expenses for absentee voting),
19 229.35 (expenses for state mental health and disability
20 services commission), 230.8 (expenses for transfers of persons
21 with mental illness), 230.11 (expenses for custody, care, and
22 investigation of persons with mental illness), and 663.44
23 (reimbursement for costs of habeas corpus proceedings). The
24 bill also repeals provisions limiting the use of moneys
25 collected under 1993 law along with provisions requiring the
26 tracking and reporting of those moneys.

27 The bill transfers Code section 8.7 (reporting of gifts and
28 bequests received) to Code chapter 68B (government ethics and
29 lobbying). By operation of law, the bill applies the penalties
30 in Code section 68B.34 to Code section 8.7. A person who
31 knowingly and intentionally violates Code section 8.7 is guilty
32 of a serious misdemeanor and may be reprimanded, suspended, or
33 dismissed from the person's position or otherwise sanctioned.
34 A serious misdemeanor is punishable by confinement for no more
35 than one year and a fine of at least \$430 but not more than

1 \$2,560.

2 The bill repeals provisions relating to the establishment
3 of OCIO, OCIO's duties, prohibited pecuniary interests of the
4 chief information officer, and required reporting by OCIO.
