# Annual Affirmative Action, Diversity and Multicultural Programs Report and Plan 

## Section I. Equal Opportunity in State Government - Affirmative Action

This report covers activity for the period of July 1, 2015, through June 30, 2016, and provides information on the condition of affirmative action, diversity, and multicultural programs in the Executive Branch of State Government, as set forth in lowa Code Chapter 19B.
https://www.legis.iowa.gov/docs/ico/code/19b.pdf

## Definitions

"Affirmative action" means action appropriate to overcome the effects of past or present practices, policies, or other barriers to equal employment opportunity. Iowa Code 19B. 1 (1).
"State agency" means an office, bureau, division, department, board, or commission in the Executive Branch of State Government. Iowa Code 19B. 1 (2).

## Responsibilities

Each agency is required to submit an annual report of its affirmative action accomplishments to the Department of Administrative Services (DAS) by July 31 of each year. Iowa Code 19B. 5 (1). Each agency's plan contains goals and time specifications for meeting those goals, as well as, the report of the last year's affirmative action accomplishments. DAS reviews the individual agency annual reports and submits a statewide annual report on the condition of affirmative action, diversity, and multicultural programs in the Executive Branch by September 30 of each year to the Governor and General Assembly. Iowa Code 19B.5 (2). As part of this report, workforce composition data are presented on a statewide and by agency basis, however, individual agency reports and plans are not editorialized here, as there are many variables to consider in drawing conclusions as to why an agency did or did not achieve a goal for the reporting period. (A complete list of agencies that submitted an Annual Affirmative Action Report and Plan can be found in Appendix A.)

## Executive Branch Statewide Workforce Composition by Females and Minorities

DAS uses the 2006-2010 American Community Survey (ACS) Equal Employment Opportunity (EEO) Tabulation, State and Local Government Job Categories to compile metrics and categorize the State of lowa's workforce. These Job Categories are as follows:

- 01 Officials and Administrators
- 02 Professionals
- 03 Technicians
- 04 Protective Service: Sworn
- 05 Protective Service: Not Sworn (Not currently used)
- 06 Administrative Support
- 07 Skilled Craft Workers
- 08 Service-Maintenance

Each State job title is assigned an Occupational Code that links to the census counts for that occupational area by sex, race and ethnicity (Hispanic origin), EEO Occupational Group, and State and Local Government Job Categories. These categories are similar, if not identical, to the job categories used by State and Local governments in reporting EEO-4 survey data.

The above Job Categories are used in Appendix B for the charts labeled Executive Branch Statewide Workforce Composition Five-Year Trends by Females and Minorities, and in Appendix C for the charts labeled Workforce Composition Charts Statewide and by Agency. Category 5 (Protective Service: Not Sworn) is not used and is deliberately absent from the charts.

Starting in 2016, the one-year period of data being reported is based on end-of-third-quarter numbers. This change was made to allow agencies additional time for data assessment and agency report and plan submission.

Also, while the State of lowa continues to focus on areas to increase the participation of persons with disabilities (PWD) in the workforce, disability workforce composition data are no longer being issued as part of the reporting process. This exclusion of data is part of an effort to maintain confidentially for PWDs within the workforce.

## Section II. FY 2016 Progress and Results

## Overall Results: Statewide and by Agency Workforce Composition

Workforce composition measures the number of females and minorities in the total workforce. Using the charts in Appendix C, workforce changes over time can be tracked for the entire Executive Branch, both statewide and by agency, for merit and non-merit employees.

From the Statewide Workforce Composition charts found in Appendix C, the following information can be extrapolated:

- During the reported period, the State's overall Executive Branch workforce decreased by 423 employees: 187 males and 236 females. It is significant to note that of the 236 females that left the workforce, over $36 \%$ ( 87 employees) were from the Administrative Support category, which is a category that is still very well-represented by females at $87.62 \%$.
- The overall female population in the State's Executive Branch workforce decreased slightly from $50.52 \%$ to $50.39 \%$.
- The overall minority population in the State's Executive Branch workforce showed a slight increase from $6.63 \%$ to $6.86 \%$.
- There was an increase in representation among females and minorities in both the Officials and Administrators and Professional categories.
- In the Officials and Administrators category, the percentage of females increased from $49.66 \%$ to $50.98 \%$, while the percentage of minorities increased from $5.66 \%$ to 5.68\%.
- In the Professional category, the percentage of females increased from $57.43 \%$ to $57.61 \%$, while the percentage of minorities increased from $7.77 \%$ to $8.18 \%$.
- The categories of Technician and Protective Service: Sworn experienced a slight decrease in their representation of females and minorities.
- In the Technician category, the percentage of females decreased from $40.50 \%$ to $39.45 \%$, while the percentage of minorities decreased from $5.05 \%$ to $4.84 \%$.
- In the Protective Service: Sworn category, the percentage of females decreased from $13.89 \%$ to $13.78 \%$, while the percentage of minorities decreased from $5.65 \%$ to $5.63 \%$.
- The categories of Administrative Support, Skilled Craft, and Service and Maintenance experienced a slight decrease in their representation of females, and an increase in minorities. The Skilled Craft category is composed of job classes that are often male dominated. As such, a continued focus will be placed on the recruitment of females in this job category.
- In the Administrative Support category, the percentage of females decreased from $87.95 \%$ to $87.62 \%$, while the percentage of minorities increased from $8.49 \%$ to 8.97\%.
- In the Skilled Craft category, the percentage of females decreased from $2.49 \%$ to $2.32 \%$, while the percentage of minorities increased from $3.05 \%$ to $3.20 \%$.
- In the Service and Maintenance category, the percentage of females decreased from $60.35 \%$ to $59.21 \%$, while the percentage of minorities increased from $6.77 \%$ to 7.07\%.

## State Recruitment Coordinating Committee ${ }^{1}$

DAS chairs and facilitates the State Recruitment Coordinating Committee, as required by lowa Code section 19B. 3 (1) (f). The committee assists State agencies in addressing affirmative action recruitment needs. Members meet regularly to collaboratively identify needs and address issues affecting affirmative action, diversity, and recruiting.

The statewide recruitment strategy is targeted to promote the employment needs of State agencies and to identify, source and recruit diverse talent to fill those needs. The committee completed a strategic analysis in 2015 in order to guide its efforts. As a result, the FY 2016 Statewide Recruiting Strategy goals were:

- Recruit and source appropriately skilled talent
- Diversify the talent pipeline
- Be a resource for the agency
- Promote the Executive Branch as competitive and choice employment
- Promote a "one" employer concept

This strategy promotes agency-level efficiency in administering public policy, enhancing customer/client experience, and showcasing the State of lowa as desirable place of employment.

## Recruitment Activities and Community Event Participation

In FY 2016, the statewide DAS Recruiter coordinated Executive Branch participation in 40 recruitment events throughout the State. These events assist Executive Branch agencies to reach a broader and more diverse applicant pool. Through these engagements the State seeks to educate the attendees regarding job vacancies, employment opportunities, and the State's work culture. (A complete list of events can be found in Appendix E.)

Some of the key community and cultural events are:
Latino Heritage Festival (September 26-27, 2015). The Latino Heritage Festival is held every fall in Des Moines and is the largest Latino cultural event in the State. Attracting approximately 50,000 attendees annually, this event is also the largest ethnic event in the State.

I'll Make Me a World in Iowa (January 29-30, 2016). I'll Make Me a World in lowa (IMMAWII) is a diverse collaboration of lowans. It highlights African-American arts, culture, and contributions through education, awareness, and preservation during an annual enrichment celebration and with continual educational outreach.

CelebrAsian 2016 (May 27, 2016). CelebrAsian is the largest Asian American event in lowa. The event unites the different Asian, American Asian, and Pacific Islander communities in lowa. It

[^1]showcases cultural exhibits, history, food, performance artists, sports, martial arts, and familyfriendly activities.

To further expand the search for qualified applicants, the Executive Branch offers the use of LinkedIn to State agencies. LinkedIn is an integrated online networking tool that capitalizes on the effective use of social media and digital networking. Linkedln reaches a wider prospective applicant pool, and allows recruiters to perform searches for hard to find talent. DAS has 15 slots to post jobs at any given time on LinkedIn. During the 2016 fiscal year, this resulted in an average of 81 open jobs listed per month. LinkedIn reports show more than 50,000 visitors to the State's LinkedIn site during FY 2016 and of those, an average of 235 clicked to apply for openings each month.

DAS also actively engages in community events, career fairs and general recruitment activities with the goal of attracting a diverse group of candidates for employment within state government. DAS selects events and activities that will result in an increased number of qualified protected class applicants applying for positions within state government.

In an effort to brand the State of lowa as a desirable place of employment and a viable career option for lowans seeking a career in public administration, DAS hosted the $2^{\text {nd }}$ Annual Executive Branch Career Fair on April 19, 2016. The event was held at the State Historical Museum. Thirty-one (31) State of lowa Executive Branch agencies/divisions/institutions were on hand to educate attendees about their agency and to promote job vacancies in their organization.

A workshop hosted by lowa Workforce Development and the Department of Administrative Services kicked off the event. Workshop participants were provided instruction on the type of state jobs, how to apply for state jobs, resume and cover letter preparation, and interviewing skills. Staff was also available to assist applicants with completing applications for current openings on site.

In addition to the 31 agency booths set up for the main event, representatives of the lowa Department of the Blind, lowa Vocational Rehabilitation Services, and an American Sign Language (ASL) interpreter were all on hand to assist applicants. Home Base lowa and Iowa Workforce Development had specialized staff in attendance to provide specific assistance to veterans.

The career fair was widely promoted though the use of local TV, newspaper and radio. This included a live broadcast during the fair by a local radio station. As a result, attendance increased to approximately 250 potential applicants this year.

## Performance \& Development Solutions (PDS) Training

During FY 2015, two affirmative action related classes were redesigned: the Americans with Disabilities Act course and the Equal Employment Opportunity/Affirmative Action course.

In FY 2016, 732 State employees attended courses related to affirmative action and diversity. Steps were taken to market the e-learning courses, such as dissemination of monthly calendar reminders, communications with training liaisons, and in person advertising during live classroom sessions. The elearning course delivery method was streamlined for ease of delivery and PDS has received positive feedback for these improvements, allowing for a more efficient, effective and flexible learning environment. (Please see Appendix E for a complete listing of attendance by Executive Branch employees in affirmative action and diversity-related classes in FY 2016.)
https://das.iowa.gov/human-resources/training-and-development

## Section III. FY 2017 Plan

To aid in affirmative action goal setting for FY 2017, each agency was provided a series of reports including: applicant flow by minority and sex (merit-covered vacancies only), a list of vacancies that contributed to applicant flow, workforce composition (merit and merit-exempt employees),
workforce/labor force comparison by occupational code, and turnover data. Each Executive Branch agency used this data for the creation of affirmative action and diversity and inclusion goals using the S.M.A.R.T. goal setting process, which asks agencies to set goals that are specific, measurable, attainable, realistic, and time-bound. Agency progress on goals set for FY 2017 will be submitted to DAS-HRE at the end of FY 2017.
