### ADMINISTRATIVE RULES — FISCAL IMPACT SUMMARIES

**January 7, 2022** 

lowa Code section 17A.4(4) requires the Legislative Services Agency (LSA) to analyze the fiscal impact of all administrative rules with an impact of \$100,000 or more and provide a summary of the impact to the Administrative Rules Review Committee (ARRC). Fiscal Impact Statements filed by State agencies can be found on our website at https://www.legis.iowa.gov/publications/fiscal/adminRulesFiscalImpact.

With each rule summary, the rulemaking type is indicated in parentheses following the ARC number. The acronyms have the following meanings: Notice of Intended Action (**NOIA**), Amended Notice of Intended Action (**ANOIA**), Notice of Termination (**NOT**), Adopted and Filed Emergency (**AFE**), Filed Emergency After Notice (**FEAN**), and Adopted and Filed (**AF**).

## **Rule Summary**

Implements the Mental Health and Disability Services (MHDS) Division of <u>SF 619</u> (FY 2022 Taxation and Other Provisions Act). The rules make the following changes:

- Describes the requirements and process for regions to certify ending balances with the Department.
- Implements the criteria and reporting instructions for eligible financial encumbrances.
   Revisions are made to the previous Regional Incentive Fund rules to include linkages to performance-based contract criteria.
- Adopts requirements and goals for performance-based contracts between the department and the MHDS regions.

State or Federal Law Implemented: lowa Code section 9C.3.

# **Fiscal Impact**

**Agency Response:** Payments from the mental health and disability services Regional Services Fund will be based on the per capita funding levels authorized in SF 619. SF 619 also appropriated \$3.0 million to the regional incentive fund for SFY 22. Future Incentive Fund revenues cannot be estimated at this time due to the uncertainty of future county fund balances and the amounts that counties will be required to send back to the Fund.

**LSA Response:** The LSA concurs. Senate File 619 appropriated \$50.0 million in FY 2022 for the new MHDS Regional Services Fund for a \$15.86 per capita distribution to the regions and \$3.0 million for an MHDS Incentive Fund. In FY 2023, the \$50.0 million appropriation will increase by \$70.2 million, for total funding of \$120.2 million (\$38.00 per capita) for the MHDS regions.

## **Rule Summary**

ARC 6089C (AF)

Implements 2021 Iowa Acts, <u>House File 861</u> (Justice System Appropriations Act), which provides for continuing health insurance coverage by the governing body of the State for the surviving spouse and children of eligible employees of the Department of Corrections (DOC). The governing body of the State is not required to pay for the cost of the health insurance but may pay the full cost or a portion of the cost of the health insurance.

**State or Federal Law Implemented:** lowa Code section <u>8A.402(1)</u> and 2021 lowa Acts, HF 861 (Justice System Appropriations Act).

### **Fiscal Impact**

**Agency Response:** The fiscal impact cannot be determined since it is impossible to predict how many eligible employees would fall into this category in the future and what varying health care coverage details would be involved.

**LSA Response:** The LSA concurs in part. 2021 lowa Acts, House File 861, established the DOC Survivor Benefits Fund. Each fiscal year, Lottery revenues in the amount of \$100,000 are to be transferred to the Fund prior to deposit of the Lottery revenues in the General Fund. The DOC must distribute the moneys in the Fund in the form of grants to nonprofit organizations that provide resources to assist surviving families of eligible employees of the DOC killed in the line of duty in paying costs associated with accident or health care coverage.
