Mechanical and Electrical Distribution Systems — RIIF

Purpose

This appropriation is to the Iowa Veterans Home from the Rebuild Iowa Infrastructure Fund (RIIF) and is intended to replace mechanical and electrical distribution systems. This funding will be used to replace a number of systems related to building operations. Components being replaced or upgraded include boilers, chillers, deaerator tanks, building automation, cooling towers, and the primary switchgear.

Funding — State General Fund

The General Assembly appropriated \$6.1 million in FY 2020 for these repairs.
