## Purpose

Iowa Code section 99F.11(3)(d)(1) provides a standing limited appropriation of \$520,000 from a portion of the State Wagering Tax revenue deposited in the General Fund to the Department of Cultural Affairs (DCA). Of the appropriation, 50.0% of the moneys are allocated for operational support grants to major multidiscipline cultural organizations that demonstrate cultural and managerial excellence on a continuing basis. The remaining 50.0% is allocated for the Community Cultural Grants Program established in Iowa Code section 303.3. These grants are made to cities and nonprofit, tax-exempt community organizations for the development of community programs that provide local jobs for Iowa residents and promote Iowa's historic, ethnic, and cultural heritages.

## Funding

The annual Economic Development Appropriations Act provides the General Fund support for this appropriation. The annual General Fund appropriation will be the standing limited amount of \$520,000 unless the appropriation is modified by the General Assembly. This appropriation has been modified by the General Assembly each fiscal year since FY 2009 to appropriate a lesser amount.
