Printing Cigarette Stamps — Standing Unlimited Appropriation

Background

Pursuant to Iowa Code section 453A.7, a cigarette tax stamp must be affixed to each cigarette package as proof that the tobacco tax has been paid. The design, size, denomination, and type of such stamps are determined by the Director of the Department of Revenue. The tax is imposed on the sale of cigarettes and must be paid by the person or business making the first sale in Iowa.

Most states use cigarette stamps as a means to tax cigarettes and reduce cigarette smuggling. North Carolina and North Dakota do not use tax stamps as a means of tax collection. Iowa's cigarette tax is \$1.36 per pack and ranks 32nd of the 50 states and the District of Columbia. The median tax rate for the U.S. is \$1.78. Nationally, Missouri has the lowest cigarette tax at \$0.17 per pack; Georgia is next lowest at \$0.37 per pack. The District of Columbia has the highest cigarette tax at \$4.50 per pack, and New York is second at \$4.35 per pack. Some states permit cities and counties to impose additional taxes on cigarettes.

Funding

Costs associated with printing cigarette stamps are funded by a standing unlimited General Fund appropriation established pursuant to Iowa Code section 453A.7.
