University of Northern Iowa — Recycling and Reuse Technology Transfer Center

Purpose

The Recycling and Reuse Technology Transfer Center is an interdisciplinary research, education, and outreach center serving Regents universities, researchers, students, Iowa citizens, and business and industry. Center projects involve education, outreach, and research activities focusing on economic approaches to solving solid waste problems, providing research and technical assistance on public health concerns as they relate to waste concerns, and serving the community with environmental education and outreach programs designed to explore and strengthen community environmental resiliency.
