

HUMAN SERVICES DEPARTMENT[441]

DRAFT ONLY: Dates herein may not comply with Schedule for Rule Making.

Adopted and Filed Emergency

Rule making related to provider increases in payment rates.

The Human Services Department hereby amends Chapter 78, "Amount, Duration And Scope Of Medical And Remedial Services," Chapter 79, "Other Policies Relating To Providers Of Medical And Remedial Care," and Chapter 83, "Medicaid Waiver Services," Iowa Administrative Code.

Legal Authority for Rule Making

This rule making is adopted under the authority provided in Iowa Code section 249A.4.

State or Federal Law Implemented

This rule making implements, in whole or in part, Iowa Code section 249A.4.

Purpose and Summary

During the 2022 Legislation Session HF 2578 appropriated funds to increase specific Home and Community Based Service (HCBS) waiver providers and HCBS habilitation providers reimbursement rates over the rates in effect June 30, 2022. Those increases are:

Increase rates for Behavioral Health Intervention (BHIS) services by 20.6 percent.

Increase rates for Applied Behavior Analysis (ABA) by 8.9 percent.

Increase rates for Home Health Agency providers located in rural areas. These are the providers covered under the Low Utilization Payment Adjustment (LUPA) methodology whose rates may vary depending on type of provider. LUPA is a standard per-visit payment for episodes of care with a low number of visits. Currently LUPA occurs when there are four or fewer visits during a 60-day episode of care.

As part of the American Rescue Plan Act (ARPA), Section 9817 HCBS implementation plan, the Department has designated 14.6 million in state funds to increase HCBS waiver and habilitation reimbursement rates by 4.25 percent. The following changes are being amended as a result of the proposed rate changes:

Increase the reimbursement rates and upper rate limits for providers of HCBS waiver and habilitation services beginning July 1, 2022, by 4.25 percent over the rates that are in effect on June 30, 2022.

Increase the monthly caps on the total monthly cost of HCBS waiver and Habilitation services.

Increase the monthly cap on HCBS Support Employment and Intellectual Disabilities (ID) Waiver respite services.

Increase the annual or lifetime limitations for Home and Vehicle Modifications and Specialized Medical Equipment.

The proposed amendments also correct the following technical errors :

Removing the Individual Placement and Support Supported Employment (IPS SE) from the HCBS Waiver Supported employment and adding it under the HCBS Habilitation Supported Employment Services. IPS SE is only provided to individuals enrolled in the 1915(i) Habilitation Program.

Aligning the total monthly cap on supported employment services under the HCBS Habilitation program with the HCBS Waiver employment service monthly cap which is the current practice.

**Reason for Adoption of Rule Making Without
Prior Notice and Opportunity for Public Participation**

Pursuant to Iowa Code section 17A.4(3), the Department finds that notice and public participation are unnecessary or impractical because the emergency adoption was approved by the Administrative Rules Review Committee. The Centers for Medicare and Medicaid (CMS) have approved the rate increases for HCBS waiver providers beginning the fourth quarter of federal fiscal year 2022 (July 1, 2022) and ongoing. Emergency adoption subject to review by the Administrative Rules Review Committee was also authorized in part by 2022 Iowa Acts, House File 2578, due to a July 1, 2022, effective date provided in the bill. This also provides a benefit with increased provider rates.

In compliance with Iowa Code section 17A.4(3)“a” and section 32 of House File 2578, the Administrative Rules Review Committee at its November 15, 2022, meeting reviewed the Department's determination and this rule filing and approved the emergency adoption.

Reason for Waiver of Normal Effective Date

Pursuant to Iowa Code section 17A.5(2)“b”(1)(a), the Department also finds that the normal effective date of this rule making, 35 days after publication, should be waived and the rule making made effective on November 15, 2022, because increased provider rates provide a benefit to providers and the public they serve. Emergency adoptions subject to review by the Administrative Rules Review Committee was also authorized in part by 2022 Iowa Acts, House File 2578, due to a July 1, 2022, effective date provided in the bill. CMS has also provided approval for HCBS provider rates effective July 1, 2022, for HCBS provider rates paid for with ARPA funding.

The Department will also file a Notice of Intended Action for these same rules to allow the public an opportunity to comment.

Adoption of Rule Making

This rule making was adopted by the Council on Human Services on November 10, 2022, subject to approval by the Administrative Rules Review Committee.

Fiscal Impact

During the 2022 Legislative Session, HF 2578 appropriated funds to increase home health agency rates for providers operating in rural areas and to increase BHIS and ABA provider rates. As part of the American Rescue Plan Act (ARPA), Section 9817 HCBS implementation, the Department has designated \$14.6 million in state funds to increase HCBS waiver and habilitation reimbursement rates by 4.25%.

Jobs Impact

This amendment raises the rate of reimbursement for rural home health agencies, behavioral health intervention and applied behavior analysis. This amendment raises the rate of reimbursement for HCBS Waiver and HCBS Habilitation service providers. This rate will directly benefit HCBS members accessing Consumer Directed Attendant Care and Consumer Choices Option by enabling them to offer an increased wage to potential employees which may increase the recruitment and retention rates of CDAC workers and CCO employees. This increase could assist HCBS providers with recruitment and retention efforts which may provide improved quality of services for HCBS members. The rules may have a positive influence on private-sector jobs and employment opportunities in Iowa.

Waivers

Any person who believes that the application of the discretionary provisions of this rule making would result in hardship or injustice to that person may petition the for a waiver of the discretionary provisions, if any, pursuant to 441_1.8(17A,217).

Review by Administrative Rules Review Committee

The Administrative Rules Review Committee, a bipartisan legislative committee which oversees rule making by executive branch agencies, may, on its own motion or on written request by any individual or group, review this rule making at its [regular monthly meeting](#) or at a special meeting. The Committee's meetings are open to the public, and interested persons may be heard as provided in Iowa Code section 17A.8(6).

Effective Date

This rule making will become effective on November 15, 2022.

The following rule-making action is adopted:
