

R E P O R T
OF THE SERVICE COMMITTEE
TO THE LEGISLATIVE COUNCIL

July 15, 1982

The Service Committee of the Legislative Council met on July 15, 1982 and makes the following recommendations to the Legislative Council:

1. That the proposed policy relating to the participation in partisan politics by members of the Legislative Service Bureau and the Legislative Fiscal Bureau submitted to the Service Committee be accepted by the Legislative Council.

2. That the proposed policy relating to the participation in partisan politics by members of the Office of Citizens' Aide submitted to the Service Committee be accepted by the Legislative Council with the following changes:

a. Number 6 under permissible activities should be stricken and the following substituted:

"6. Attend political conventions or functions to which the public at large is invited if the employee does not take part in the convention or in the deliberations and refrains from a public display of partisanship.

7. Attend any political meeting such as where political candidates or political figures are attending if the public at large is invited and if the attendance will not result in the appearance to persons that the employee is engaging in a political activity with the result that confidence in that employee could be eroded."

b. Number 5 under prohibited activities should be amended by adding the word "attending," after the word "promoting," in the first line.

3. That the Citizens' Aide is authorized to begin a search for employment of an Assistant Citizens' Aide/Ombudsman at Pay Grade 24 to replace Mr. G. K. Renegar who has submitted his resignation.

Respectfully submitted,

DELWYN STROMER, Chairperson
