Sec. 5. NEW SECTION. 453E.5 Sales and excise taxes on sales and delivery sales of devices — examination of records and premises — subpoena for witnesses and papers.

1. A sale or delivery sale of a device within this state shall be subject to the sales tax provided in chapter 423, subchapter II. All the provisions for the lien of the tax, its collection, and all actions as provided in the uniform sales and use tax administration Act, chapter 423, shall apply to the

tax imposed in this chapter.

2. *a.* There is levied and imposed an excise tax on a device purchased in this state through a sale by a device retailer or purchased for use in this state through a delivery sale of forty percent of the retail sales price of the device.

b. For the purposes of this section, "*retail sales price*" means the total amount of consideration, including cash, credit, property, and services, for which personal property or services are sold, leased, or rented, valued in money, whether received in money or otherwise, without any deduction for any of the following:

(1) The device retailer's or device delivery sale permit holder's cost of the device sold.

(2) The cost of materials used, labor or service cost, interest, losses, all costs of transportation to the device retailer or to the device delivery sale permit holder, as applicable, all taxes imposed on the device retailer or the device delivery sale permit holder except as provided in paragraph "*c*", subparagraphs (5) and (6), and any other expenses of the device retailer or device delivery sale permit holder.

(3) Charges by the device retailer or device delivery sale permit holder for any services necessary to complete the sale, other than delivery and installation charges.

(4) Delivery charges.

c. "*Retail sales price*" does not include any of the following:

(1) Discounts, including cash, term, or coupons that are not reimbursed by a third party that are allowed by a device retailer or a device delivery sale permit holder and taken by a consumer on sale.

(2) Interest, financing, carrying charges from credit extended on the sale of a device, if the amount is separately stated on the invoice, bill of sale, or similar document given to the consumer.

(3) Any taxes legally imposed directly on the consumer that are separately stated on the invoice, bill of sale, or similar document given to the consumer.

(4) Trade discounts given or allowed by manufacturers, distributors, or wholesalers to device retailers or

device delivery sale permit holders or by manufacturers or distributors to wholesalers and payments made by manufacturers, distributors, or wholesalers directly to device retailers or device delivery sale permit holders or by manufacturers or distributors to wholesalers to reduce the sales price of the manufacturer's, distributor's, or wholesaler's product or to promote the sale or recognition of the manufacturer's, distributor's, or wholesaler's product. This subparagraph does not apply to coupons issued by manufacturers, distributors, or wholesalers to consumers.

(5) Any state or local tax on a sale that is imposed on the device retailer or device delivery sale permit holder if the statute, rule, or local ordinance imposing the tax provides that the device retailer or device delivery sale permit holder may but is not required to collect such tax from the consumer, and if the tax is separately stated on the invoice, bill of sale, or similar document given to the consumer.

(6) Any tribal tax on a sale that is imposed on the device retailer or device delivery sale permit holder if the tribal law imposing the tax provides that the device retailer or device delivery sale permit holder may but is not required to collect such tax from the consumer, and if the tax is separately stated on the invoice, bill of sale, or similar document given to the consumer.

d. The retail sales price does not include, and the device excise tax shall not apply to, amounts received for charges included in paragraph "b", subparagraphs (3) and (4), if the charges are separately contracted for, separately stated on the invoice, bill of sale, or similar document given to the consumer, and the amounts represent charges which are not the retail sales price of a taxable sale of a device under this chapter.

3. A device delivery sale permit holder shall be deemed to have waived all claims that such permit holder lacks physical presence within this state for purposes of collecting and remitting the sales and excise taxes.

4. A device delivery sale permit holder making taxable delivery sales of devices within this state and a device retailer shall remit to the department electronically all sales

and excise taxes due on such sales at the times and in the manner as established by rule of the director.

5. The director may adopt rules pursuant to chapter 17A to administer this section.

6. Excise taxes collected under this section shall be deposited in the specialty courts and diversion programs fund created in section 453E.6.

7. *a.* For the purpose of enabling the department to determine the tax liability of device delivery sale permit holders, device retailers, or any other person dealing in devices or to determine whether a tax liability has been incurred, the department shall have the right to inspect any premises of the device delivery sale permit holder, device retailer, or other person dealing in devices located within or without the state of Iowa where devices are manufactured, produced, made, stored, transported, sold, or offered for sale or exchange, and to examine all of the records required to be kept or any other records that may be kept incident to the conduct of the business of said device delivery sale permit holder, device retailer, or any other person dealing in devices.

b. The department shall also have the right as an incident to determining the tax liability, or whether a tax liability has been incurred, to examine all stocks of devices and to remain upon the premises for such length of time as may be necessary to fully determine the tax liability, or whether a tax liability has been incurred.

c. It shall be unlawful for a permit holder to fail to produce upon demand of the department any records required to be kept or to hinder or prevent in any manner the inspection of the records or the examination of the premises.

d. In the case of any departmental inspection conducted under this section requiring department personnel to travel outside the state of Iowa, any additional costs incurred by the department for out-of-state travel expenses shall be borne by the device delivery sale permit holder, device retailer, or other person dealing in devices. These additional costs shall be those costs in excess of the costs of a similar inspection conducted at the geographical point located within the state

of Iowa nearest to the out-of-state inspection point. In lieu of conducting an on-premises out-of-state inspection, the department shall have the authority to direct the device delivery sale permit holder, device retailer, or other person dealing in devices to assemble and transport all records described in this subsection to the nearest practical and convenient geographical location in Iowa for inspection by the department.

Sec. 6. NEW SECTION. 453E.6 Specialty courts and diversion programs fund.

1. A specialty courts and diversion programs fund is created in the state treasury under the control of the office of drug control policy. Moneys from permit fees, with the exception of permit fees collected by the department on behalf of cities or counties in the issuance of permits, and excise taxes imposed and collected pursuant to section 453E.5, shall be deposited in the fund. Permit fees collected by the department on behalf of cities under this chapter shall be remitted by the department to the treasurer of the city where the permit is effective and credited to the general fund of the city. Permit fees collected by the department on behalf of counties under this chapter shall be remitted by the department to the treasurer of the county where the permit is effective and credited to the general fund of the county.

2. Moneys in the fund are appropriated to the office of drug control policy to be used for the purpose of the support of specialty courts and diversion programs to address underlying substance use disorder-related and mental health-related issues that contribute to the contact of individuals with the justice system.

3. The drug policy coordinator of the office of drug control policy shall develop criteria for approval of a request for specialty courts and diversion programs funding. Annually, by May 1, the state court administrator shall submit a specialty courts and diversion programs funding request for the upcoming fiscal year to the drug policy coordinator of the office of drug control policy for approval, and the drug policy coordinator shall approve or reject any such request no later than June 1. The state court administrator may submit

a subsequent request within fifteen days of notification of the rejection of an initial request. The state court administrator shall consult with the director of the department of corrections prior to submitting any funding request that involves the department of corrections.

4. The fund shall be separate from the general fund of the state and shall not be considered part of the general fund of the state. The moneys in the fund shall not be considered revenue of the state, but rather shall be moneys of the fund. The moneys in the fund are not subject to reversion to the general fund of the state under section 8.33 and shall not be transferred, used, obligated, appropriated, or otherwise encumbered, except to provide for the purposes of this section. Notwithstanding section 12C.7, subsection 2, interest or earnings on moneys deposited in the fund shall be credited to the fund.

5. The treasurer of state shall provide a quarterly report of fund activities and balances to the drug policy coordinator of the office of drug control policy.

Sec. 7. NEW SECTION. 453E.7 Permits — suspension — revocation — penalties.

1. The provisions of chapter 453A, including the permit suspension and revocation provisions and the civil penalties established in section 453A.22, shall apply to tobacco retailers who are also device retailer permit holders or device delivery sale permit holders under this chapter. The provisions of chapter 453A applicable to persons other than tobacco retailers who violate chapter 453A shall also apply to persons who violate this chapter.

2. A person holding a device retailer permit or a device delivery sale permit under this chapter who violates this chapter by marketing or selling a device to be used or attempted to be used or that is capable of use in combination with tobacco, hemp, other plant materials, or a controlled substance, to knowingly or intentionally and primarily inhale the material or substance through combustion commits a serious misdemeanor and is also subject to permit revocation.

3. *a.* If a person holding a device retailer permit or a device delivery sale permit under this chapter has willfully

violated this chapter, the department shall revoke the permit upon notice and hearing. The hearing before the department may be held at a site in the state as the department may direct. The notice shall be given by mailing a copy to the permit holder's place of business as it appears on the application for a permit. If, upon hearing, the department finds that the violation has occurred, the department may revoke the permit.

b. If a device retailer permit or a device delivery sale permit is suspended or revoked under this section, the suspension or revocation shall only apply to the place of business at which the violation occurred and shall not apply to any other place of business to which the permit applies but at which the violation did not occur.

c. A local authority shall report the suspension or revocation of a device retailer permit or a device delivery sale permit under this section to the department within thirty days of the suspension or revocation of the permit.

4. In addition to any other applicable penalties, a device retailer permit holder or a device delivery sale permit holder who violates this chapter shall be subject to the following:

a. For a first violation, a civil penalty of five hundred dollars.

b. For a second violation, a civil penalty of one thousand dollars.

c. A third violation constitutes grounds for suspension or revocation of the permit under this chapter.

5. A person other than a device retailer permit holder or a device delivery sale permit holder who violates this chapter, including a person who engages in the business of a device retailer at any place of business or through delivery sales without holding an applicable, valid permit under this chapter, commits a serious misdemeanor and shall also be subject to the following civil penalties:

a. For a first violation, a civil penalty of one thousand dollars.

b. For a second violation, a civil penalty of two thousand dollars.

c. For a third or subsequent violation, a civil penalty of five thousand dollars.
