92 17 Oakdale. For accreditation-required clinical experiences not  
92 18 available at the state mental health institutes, the state  
92 19 resource center, the state training school, or the Iowa medical  
92 20 and classification center at Oakdale, the psychiatry residency  
92 21 program and its residents may utilize clinical rotations at the  
92 22 university of Iowa hospitals and clinics and its affiliates  
92 23 across the state.

92 24 2. The university of Iowa hospitals and clinics shall apply  
92 25 to the accreditation council for graduate medical education  
92 26 for approval of twelve additional residency positions for each  
92 27 class of residents and the psychiatry residency program shall

92 36 credited to the fund by law. Notwithstanding section 8.33,  
92 37 moneys in the fund at the end of each fiscal year shall not  
92 38 revert to any other fund but shall remain in the psychiatry  
92 39 residency program fund for use in subsequent fiscal years.  
92 40 Moneys in the fund are appropriated to the university of Iowa  
92 41 hospitals and clinics to be used for the purposes of the

School at Eldora, and the Iowa Medical and Classification Center. Directs the UIHC to expand the Psychiatric Residency Program by providing for up to 12 additional residency positions for each class of residents. Residents are required to complete a portion of their psychiatric training at one of the State institutions, but may complete additional accreditation-required clinical experiences not available at the State institutions through clinical rotations at the UIHC or its affiliates across the State.

CODE: Directs the UIHC to apply to the accreditation council for graduate medical education for approval of 12 additional residency positions, and directs the Psychiatric Residency Program to award residences for the approved amount. Requires the residency grants to be awarded with preference given to candidates who are residents of Iowa, attended and earned an undergraduate degree from an Iowa college or university, or attended medical school in Iowa.

CODE: Creates the Psychiatry Residency Program Fund in the State Treasury. The moneys in the Fund shall not revert to any other fund, but shall remain in the Fund for use in subsequent fiscal years. Moneys in the Fund are appropriated to the UIHC to be used for the Program beginning in FY 2024 in the amount of \$100,000 for each residency position approved and awarded under the Program.
