

**REPORT OF THE FISCAL COMMITTEE TO THE
LEGISLATIVE COUNCIL**

July 18, 1994

The Fiscal Committee met on July 18, 1994, at the Duane Arnold Energy Center (DAEC), Palo, Iowa. There was no formal committee action.

The Committee toured the DAEC in the morning. After lunch, presentations were given by representatives of the DAEC.

Following the presentations, the Committee discussed:

- Update of Revenue Estimate and Projected General Fund Balance Sheet
- Iowa Communications Network Update
- Lease Purchases
 - Department of Transportation - \$1,441,130 for boiler replacement
 - Iowa Veterans Affairs - \$2,707,133 for various energy efficiency projects
 - Regents - \$903,892 to replace scoreboard at Jack Trice Field, ISU
- Capitol Restoration Update
- Section 8.39, Code of Iowa Appropriation Transfers
 - Secretary of State - Up to \$51,586 from the Commission of Veterans Affairs
 - Department of Corrections - County Confinement - \$50,000 from Iowa Medical & Classification Center, Iowa State Penitentiary, and Iowa Correctional Institution for Women
- Energy Extension Service Oil Overcharge Appropriation

The Committee received, but did not discuss *Issue Reviews* on the following topics:

- Machinery and Equipment Property Tax
- Organic Nutrient Management Program
- Prison Safety
- Reorganization In Executive Branch Agencies - Departments of General Services and Personnel
- Welfare Reform Update

Respectfully submitted,

Senator Larry Murphy
Co-chairperson

Representative Ron Corbett
Co-chairperson

**REPORT OF THE FISCAL COMMITTEE TO THE
LEGISLATIVE COUNCIL**

- Iowa State Fair Board Bonding
- Board of Regents Tuition Replacement
- Capitol Restoration Update/Update on Administration Committee Actions
- Health Care Reform Update
- Capital Projects Committee - Infrastructure Study Update
- Board of Regents Deferred Maintenance
- Overview of Road Use Tax Issues

The following *Issue Reviews* were received by the Fiscal Committee but not discussed:

- State Deduction for Federal Income Tax
- The Revenue Enhancement Program at the Iowa Veterans Home - An Update

Respectfully submitted,

Senator Larry Murphy
Co-chairperson

Representative Ron Corbett
Co-chairperson

**REPORT OF THE SERVICE COMMITTEE
TO THE LEGISLATIVE COUNCIL**

July 20, 1994

The Service Committee of the Legislative Council met on July 20, 1994. The meeting was called to order by Speaker Harold Van Maanen, Chairperson, at 10:13 a.m. in Room 22 of the State House, Des Moines, Iowa.

The Service Committee respectfully submits to the Legislative Council the following report and recommendations:

1. The Service Committee received and filed a personnel report from the Legislative Fiscal Bureau.
2. The Service Committee received and filed a personnel report from the Legislative Service Bureau.
3. The Service Committee received and filed a personnel report from the Office of Citizens' Aide/Ombudsman.
4. The Service Committee received and filed a progress report from the Salary Subcommittee. The Subcommittee requested and was granted additional time to complete their work.

Respectfully submitted,

SPEAKER HAROLD VAN MAANEN
Chairperson

**REPORT OF THE ADMINISTRATION COMMITTEE
OF THE LEGISLATIVE COUNCIL**

July 20, 1994

The Administration Committee met on July 20, 1994, and makes the following report:

1. The Administration Committee received a report concerning access and fire and life safety projects approved by the Legislative Council at the Council's June 15, 1994 meeting. The Administration Committee recommends that the Legislative Council requests the Department of General Services to consider the relocation of the lactation room to the women's lounge located on the ground floor of the Capitol Building during the scheduled access renovation of the women's lounge. Information from the Department of General Services is attached to this Report.

2. The Administrative Committee requested the Department of General Services to provide the Committee with an itemization of Capitol sprinkler installation costs by central service unit and building zones.

3. The Administration Committee received information from the ADA Staff Committee concerning assistive listening device equipment which was purchased as approved by the Legislative Council at the Council's June 15, 1994 meeting. The information is attached to this Report.

4. The Administration Committee received information concerning the installation of video conferencing equipment connected to the Iowa Communications Network within an existing legislative committee room. The Administration Committee will continue to review this issue with the intent of determining whether to make a recommendation to the Council at the Council's September meeting.

5. The Administration Committee received information concerning the possibility of moving forward with the Capitol exterior renovation. The information disclosed that commencing work on the stone installation now would not allow completion before inclement weather sets in. The Committee received several recommendations that the northwest pavilion restoration be postponed until 1995 pending legislative action early in the 1995 session.

Respectfully Submitted,

William Palmer
Chairperson

PROJECT SCHEDULES

PROJECT: Iowa State Capitol Interior Rehabilitation Phase 1
RDG/BD #94256.00

DATE: July 19, 1994

MEMORANDUM

TO: CHAIRPERSON PALMER AND MEMBERS OF THE ADMINISTRATION COMMITTEE

FROM: ADA STAFF COMMITTEE

RE: ASSISTIVE LISTENING DEVICES

At its June 15, 1994, meeting the Legislative Council approved funding for installation of assistive listening devices for the Senate and House Chambers and committee rooms. The ADA Staff Committee met with the representatives from Des Moines Audio Service to finalize purchases as follows:

House and Senate Chambers

- 2 Large area closed circuit FM narrow band base station transmitters
- 6 Single channel ear receivers for the Senate
- 8 Single channel ear receivers for the House of Representatives
- 3 Dual unit battery chargers for the Senate
- 4 Dual unit battery chargers for the House
- 2 Wide area broadcast antennas with cable

House and Senate Committee Rooms

- 1 Wide area infrared emitter with 4 microphone inputs
- 4 Broadcast quality microphones with desk and floor stands
- 4 Receivers with headsets
- 1 Custom built cart and emitter stand

The purchase includes warranties of the manufacturer plus one year labor, installation of equipment, and personnel training.

**REPORT OF THE STUDIES COMMITTEE
TO THE LEGISLATIVE COUNCIL**

July 20, 1994

The Studies Committee of the Legislative Council met on Wednesday, July 20, 1994, and recommends the approval of the attached proposed Child Protection Task Force.

Respectfully submitted,

REPRESENTATIVE MARY LUNDBY
Chairperson

CHILD PROTECTION TASK FORCE

CHARGE: The Task Force is to review federal and state laws, regulations and policies regarding child protection, including the Child Abuse Registry, and make recommendations for changes in the Child Protection System. The Task Force shall submit a report of its findings and recommendations to the General Assembly on or before December 16, 1994.

MEMBERSHIP AND STAFFING: Public members of the Task Force shall be appointed by the joint bipartisan leadership, and shall reflect a diversity of opinion on the issue of child protection. The leadership shall follow the requirements of Chapter 69A, regarding gender and political affiliation, in appointing the public members. Expenses for public members and consultants, and expenses and per diem for legislative members are to be allocated from the appropriation. Staffing services shall be provided by the Legislative Service Bureau and the Legislative Fiscal Bureau as deemed necessary by the Department of Human Services.

BACKGROUND: This Task Force was requested in HF 2261, Section 19. An appropriation of \$10,000 for the costs associated with the Child Protection Task Force was authorized in SF 2330, Section 8.

IOWA
COMMISSION
ON THE
STATUS
OF WOMEN

RECEIVED
JUN 13 94
Legislative Service
Bureau

June 10, 1994

TO: Iowa Legislative Council

FROM: Charlotte Nelson, Executive Director *cn*
Iowa Commission on the Status of Women

RE: Proposal to Establish a Display Case in the
Capitol

On October 27, 1993, the Legislative Council adopted the following proposal from Representative Ron Corbett:

The Commission on the Status of Women shall, in conjunction with the Iowa Women's Political Caucus, the League of Women Voters, and the Legislative Ladies League, design and submit to the Legislative Council a proposal for establishing a display case located in the Iowa Capitol building. The display shall feature contributions and achievements women have made to Iowa government with special emphasis to those women who have held an elective office.

The respective organizations responded favorably to our invitation, and representatives have met twice to develop a proposal. Participants are:

Betty Elliott, Iowa Women's Political Caucus
Marilyn Rensink, President, Legislative League
Loren Horton, State Historical Society of Iowa
Suzanne Schenken, Vice-President, Friends of the
Iowa Commission on the Status of Women
Abbi Swanson, President, League of Women Voters
of Iowa
Tom Morain, Member, Iowa Commission on the Status
of Women

The proposal is as follows:

Four freestanding display cases,
24" x 48" x 8',
bulletin board style (back-to-back),
wooden frame with glass

Eight panels, with pictures and text:

- 1) Introduction to the topic - "Iowa's Progress Toward Equality"
- 2) Women's right to vote
- 3) Iowa women in political parties
- 4) Women in the Iowa General Assembly
- 5) Women in executive positions in Iowa
- 6) Women in the Iowa Judiciary
- 7) Women in Iowa local government
- 8) Future trends

Each panel would feature a "first" woman, followed by women and/or data describing the current status. "Today's" information could be updated/revised biennially.

Display cases to be constructed by Iowa Prison Industries.

Pictures and panels to be designed by/in consultation with the State Historical Society of Iowa professional staff.

Estimated cost:	Research and design	\$1,000
	Display cases	2,300
	Pictures, panels and lettering	<u>\$1,500</u>
		\$4,800

The Iowa Commission on the Status of Women will be happy to coordinate further activity on this project, at the request of the Legislative Council. A presentation to the Capitol Planning Commission would be a next step.

Please call if you need additional information.

CONFERENCE ROOM CONSIDERATIONS

ASSUMPTIONS

- Installation of any video conferencing equipment must not detract from aesthetics.
- Unattended rooms present major security problems for expensive video equipment.
- Meetings of various size require flexibility with regard to the placement of cameras and monitors.
- Turn on of equipment must be controlled by one switch.
- Equipment must be easy to operate and controlled with a hand held "remote control" device.

OPTIONAL EQUIPMENT

Some additional equipment can enhance interactive communication and should be tailored to the needs of users of room. Some items to consider are:

- VCR for tape playback
- VCR for recording events
- 8" video monitor (to assist in control)
- computer and associated equipment
- FAX machine
- Audio tape recording equipment and cabling
- video slide projector

ROOM ENHANCERS

- improved lighting
- improved audio coverage
- adequate power

ELMO

VISUAL PRESENTER

THE TOP QUALITY/HIGH PERFORMANCE VISUAL PRESENTER : EV-500AF

A new addition to the family of Elmo Visual Presenters, the EV-500AF is the most sophisticated video capture system with unsurpassed features for operator's convenience and clear image video of any material from 3-D objects to transparencies.

The EV-500AF's approx. 410,000 pixels CCD pick-up assures vivid presentation with a sharp image. The advanced autofocus technology and 10× zooming make the EV-500AF easiest-to-operate. The front panel touch controls and the rotating camera head are convenient state-of-the-art features designed with the user in mind.

The auxiliary lighting unit is standard, and the baselight is also built-in for presentation of slides, OHP film and other transparent material. Also nega/posi conversion is possible.

In addition, the EV-500AF incorporates Auto white balance, Color/B&W selection, Iris control, RGB output, S-video output, AC outlet, etc.

Detailed specifications on the EV-500AF on reverse side.

EV-500AF

As a technological innovator since 1921

	AC outlet	Max. 400W (3.2A), unswitched
OPTICS	Lens	F1.8~2.3 f=8~80mm
	Shooting area	345×255mm max.
	Zooming	Powered
	Focusing	Auto/manual
	Iris	Auto/manual
LIGHTING	Upper lighting unit	Built-in, Fluorescent lamp 6W×2
	Baselight	Built-in
VIDEO & AUDIO	Television system	NTSC compatible
	Image pick-up element	1/2" Interline-transfer CCD
	Picture element	811 (H) × 508 (V)
	Sync. system	Internal/external sync. (automatic changeover)
	Resolution (Horizontal) (Vertical)	More than 450TV lines (Y signal) More than 350TV lines
	S/N ratio	More than 46dB
	Output signal	C-video VBS 1.0Vp-p/75Ω unbalanced S-video Y : 0.714Vp-p/75Ω unbalanced C : 0.286Vp-p/75Ω unbalanced R/G/B 0.714Vp-p/75Ω unbalanced SYNC 2Vp-p/75Ω unbalanced (G-ON SYNC. changeable)
	Ext. sync. frequency range	Within H: ±20ppm, SC: ±50ppm against NTSC standard
	H-phase adjustment	Manual
	SC-phase adjustment	Manual
	Electronic shutter	1/60 sec. or 1/100 sec.
	White balance	Full-auto/push-set auto/manual
	Nega/posi conversion	Built-in (C-video, S-video)
	Color/B&W selection	Built-in (C-video, S-video)
	Detail compensation	Built-in
	Input selection	3 modes (Internal/AV1/AV2)
	Input terminals	C-video input
S-video input		Mini Din 4P connector/75Ω unbalanced ×2
Ext. sync. input		BNC connector/75Ω unbalanced ×1
Mic. input		Φ6.3mm jack/600Ω, -65dB ×1
Audio input		RCA female/10kΩ, -10dB ×2 (stereo)
Output terminals	C-video output	RCA female/75Ω unbalanced ×1 BNC connector/75Ω unbalanced ×1
	S-video output	Mini Din 4P connector/75Ω unbalanced ×1
	RGB output	BNC connector/75Ω unbalanced ×1
	Audio output	RCA female/10kΩ, -10dB ×1 (stereo)
Remote terminal	Built-in	
DIMENSIONS & WEIGHT	Dimensions	690 (W) × 545 (D) × 653 (H) mm when set-up (27.2 × 21.5 × 25.7 in.) 450 (W) × 545 (D) × 203 (H) mm when folded (17.7 × 21.5 × 8.0 in.)
	Weight	8.5 kgs (18.7lbs)

*Dimensions & weight are approximate. Design and specifications are subject to change without prior notice.

* marked controls can be also done through the Remote Terminal.

Will have some info in Nov

Arnold Krieg

Infrastructure Study Project Status

School survey - next week

1. Conducted interview with Des Moines Vision 2000 group.

2. Completed address and contact lists for:

In data base

Cities - following week

- Public Schools
- Cities over 2000 in population
- Counties
- Merged Area Schools
- Publicly owned hospitals

Community Colleges

Are obtaining info from

3. Conducted interview with Dave King, Johnston AEA

Heartland Johnston AEA

Counties will follow later

AEA has been working on the concept of density (population versus district area, or enrollment versus district area) as a means of categorizing districts.

will continue with that

Relevant survey information

adjusted social - public needs

- enrollment by individual building
- cooperative uses of rooms
- future enrollment predictions

density -

Design capacities

Discussed concept of model (successful) schools.

4. Interview with C. Milt Wilson, School Facilities Consultant, Department of Education.

Mr. Wilson has conducted facility survey in the past. Most recent survey about three years ago. This survey contains information on all buildings and additions in every school district. Yr constructed, stories, asbestos

The data is currently on the Department of Education's computer system and it has taken several weeks to retrieve the information. Mr. Wilson informed us that the information would be available by Friday, September 16.

Mr. Wilson will also provide information on district size (acres) and valuation from insurance appraisals.

5. Several agencies have been contacted for information:

- Board of Regents (received information)
- Department of Corrections
- Iowa GSA
- DHS

Usage of all buildings

6. Finalizing and printing survey instruments.

do not lose sight of state buildings!

fill out survey before develop concept of where should be.

Instructions for School Infrastructure Survey

(instructions concerning page 2.)

In the following survey, please include the specific information requested concerning your school's infrastructure. This information has been divided into three categories, the first being four columns that indicate the building or addition that a given room is located in, the second being the total square feet of space used for a given specific purpose, and the third being the number of rooms being used for a specific purpose.

Along with the three divisions of requested information, the survey has been divided into categories of rooms. The first of these categories is the *single-purpose room*. This type of room is used for a single purpose, such as a room used solely as a classroom or one used primarily as a laboratory.

The second category is the *multi-purpose room*, which serves the school facility in more than one purpose. An example of such a room might be an area that serves as an art room as well as a storage area.

The individual or individuals filling out this survey should place the requested information in the correct column in relation to the building that the room or rooms are located in. The total square feet of the given room should be placed in the correct column, this total should take into account all square feet used for that specific purpose

(490 square ft. of classroom space for all 3 rooms, etc.). The number of rooms should be indicated in the column under #.

In regards to the multi-purpose rooms, please indicate the total square feet used for a given room.

Unique schools & facilities?

MEMORANDUM

TO: CHAIRPERSON HORN, VICE CHAIRPERSON VAN MAANEN, AND MEMBERS OF THE LEGISLATIVE COUNCIL

FROM: DIANE BOLENDER, DIRECTOR

RE: JULY LEGISLATIVE COUNCIL COMMITTEE MEETING

The July Legislative Council and Council Committee meetings are scheduled for Wednesday, July 20, 1994, at the State Capitol in Des Moines. Meetings are scheduled in Committee Room 22 as follows:

10:00 a.m.	Service Committee
11:00 a.m.	Administration Committee
1:00 p.m.	Studies Committee
1:30 p.m.	Legislative Council

Tentative agendas for the meetings and minutes of the June meetings of the Studies Committee, Service Committee, Administration Committee, Capital Projects Committee, and the Legislative Council are enclosed, as well as the minutes of the Computer User Committee.

Please notify the Legislative Service Bureau if you will be unable to attend the meeting.
