Re: Presentation of Correct Version of [SF 574](#)

Dear Governor Reynolds:

[Senate File 574](#) was considered by the House and Senate this past legislative session. During the process, the House amended the bill and voted to approve the bill as amended. This action is entered in H.J. 532. The Senate received the bill and the House amendments as entered in S.J. 562. The House amendments were incorporated as amendment [S-5057](#).

The Senate concurred with amendment [S-5057](#) as entered in S.J. 462. The Senate then passed [Senate File 574](#) as amended by [S-5057](#) as entered in S.J. 838.

On April 29, 2024, the bill was reported as “correctly enrolled, signed by President and Speaker, and sent to Governor.” The bill, as presented, was then signed into law on May 1, 2024.

On May 7, 2024, it was brought to my attention that due to a clerical error, not all of amendment [S-5057](#) was incorporated into the bill (see attached page explaining the error).

To correct this error and to present you with an accurate version of the bill for your consideration as contemplated in Article III, section 16 of Iowa’s Constitution, the bill was once again engrossed, enrolled, and the required signatures obtained as required by Article III, section 15 of Iowa’s Constitution. This correct version of the bill contains all of amendment [S-5057](#).

The legislative branch believes this is the most transparent method of resolving the issue and is a correct and accurate reflection of the votes of the House and Senate as required under Article III, section 17 of Iowa’s Constitution.

I apologize for any inconvenience that this may have caused. Please let me know if you have any questions.

Sincerely,

W. Charles Smithson
Secretary of the Senate

1. Operation 41 of Amendment [S-5057](#) did the following:
 - A. Created emergency rulemaking powers for the Economic Development Authority (page 3, line 33 through page 4, line 9).
 - B. Created an Effective Date for Division I of the bill (page 4, lines 10-11).
 - C. Created a new Division II of the bill (starting on page 4, line 12, through page 4, line 33).
 - D. Created another Effective Date for Division II of the bill (page 4, lines 34 and 35).
2. During the engrossing/enrollment process, a clerical error occurred that resulted in the failure to include page 3, line 33 through page 4, line 11 (which is A and B above) in the bill. The remaining part of Operation 41 (C and D above) and the remaining operations of Amendment [S-5057](#) all were included in the bill.

All page and line numbers reflect the pages and lines as stated in Amendment [S-5057](#) to [Senate File 574](#).
