PREFACE

This volume contains the table of internal references, conversion tables of Senate and House files to chapters of Iowa Acts, tables of disposition of Iowa Acts, and the table of corresponding sections. The mortality tables, certain historical material, and the Code editor's notes are printed at the end of Volume IV.

This volume also contains the index to the 2001 Iowa Code. In addition to the changes necessary to reflect recent legislative action, the index continues to be subject to review and revision for accuracy, simplification, consistency, and compatibility with other legislative publications.

In addition to the detailed index, the reader may wish to consult the Skeleton and Popular Name Index which is printed on colored paper at the end of each volume of the 2001 Iowa Code.

Within this volume, Arabic numerals generally refer to chapters and sections of the Iowa Code. Sections may be divided into subsections using parentheses, as 124.401(1); subsections into lettered paragraphs, as 124.101(1a); paragraphs into numbered subparagraphs using parentheses within brackets, as 124.401[1a(2)]. References to the Constitution of the United States and the Constitution of Iowa are to articles (Roman numerals) and sections (Arabic numerals), as Const US II §2; Const Iowa I §10. References to amendments in the Constitution of the United States are to number, as Const US Amend 5.

Corrections and suggestions for improvement of the tables and index are welcome. Please contact the index supervisor at (515) 281-5661; write to the Iowa Code Division, Legislative Service Bureau, Lucas State Office Building, 1st Floor, Des Moines, IA 50319; or fax (515) 242-5494.
